

WANT US TO DO IT FOR YOU?

Emergency Alerts (messages regarding potential safety hazards or concerns) will be sent to all standard voice and text communication devices. If you don't confirm receipt of the message, the system will try to reach your second contact number or e-mail address. ***The system will continue trying to contact you until it receives a confirmation from you that you have received the message.***

You may wish to receive Community Alerts differently. (You might not want to receive them on your cell phone, for example, or would prefer e-mail only.) **You can choose the method that works best for you!**

Notification Sign Up Information:
