

SUMMARY OF RULES PERTAINING TO RAMP PERMITS

When is a permit required?

A ramp permit is required to launch any kind of boat, canoe, kayak, or personal watercraft from the ramp area.

The requirement applies to launching from a trailer, cartop, dinghy rack, or in any other way.

A launch ramp permit is included in the fee for usage of the dinghy storage rack in the ramp area.

A permit is also required to park any vehicle in designated places in the ramp area. A City of Milford beach parking sticker is not sufficient.

What is the cost and where can permits be obtained?

Annual ramp permits are valid from January 1 through December 31. They are available at the City of Milford tax collector's office at the Parsons Government Complex. This office is open from 8:30 A.M. to 4:30 P.M. on weekdays. They are also available at the ramp on Saturday and Sunday, in season only, from the launch ramp attendant; at Milford Lisman Landing Marina; or by postal mail. Call (203) 874-1610 for hours and/or details.

An annual permit costs \$30.00 for Milford residents and \$125.00 for non-residents. An annual permit for senior citizens (those 65 and older) and handicapped persons costs \$20.00 for Milford residents and \$100.00 for non-residents.

Daily launch ramp permits are valid for the date of purchase only. They can be purchased at the ramp Saturday and Sunday, in season only, from the launch ramp attendant or at Milford Lisman Landing Marina. Call (203) 874-1610 for hours.

Daily permits are \$10.00 for residents and \$20.00 for non-residents.

A current boat registration must be available in order to purchase ramp permits. The address on the registration, or address on a current paid tax bill should the boat be registered out of town or out of state, will determine the residency status of the applicant.

For vessels not required to be registered by the State (e.g. canoes, dinghies, etc.) the owner's valid driver's license, or address on a current paid tax bill, will determine residency.

Seasonal dinghy storage rack permits are available, for a fee, on a first come first served basis, by application to the Harbor Management Commission.
