

The Planning and Zoning Board on November 17, 2009 approved the following additions to the Zoning Regulations, which become effective on 12/3/09:

## **Section 5.1. PARKING AND LOADING REGULATIONS**

### **5.1.4 Off-Street Parking Requirements**

- |              |                                   |                                     |
|--------------|-----------------------------------|-------------------------------------|
| <b>*(8)</b>  | Take Out Restaurants <b>(New)</b> | <b>1 space for each 250 sq. ft.</b> |
| <b>*(10)</b> | Health Clubs <b>(New)</b>         | <b>1 space for each 50 sq. ft.</b>  |

\*The above items have altered the sequence of the existing regulations in this section. No items have been removed in this section.

**5.1.17 Tandem Parking** Any application that proposes a parking plan where one car is parked in front of the other, whether open or enclosed, shall be subject to Section 7.2. This section shall not apply to single family residences in single family residential zones. **(New)**
