

PRESS ADVISORY

MILFORD FABRICATING CO. TO OFFICIALLY OPEN NEW FACTORY WITH RIBBON CUTTING CEREMONY

On Friday, October 30, 2009 – nearly seven months to the day that a four-alarm fire destroyed the Milford Fabricating facility on Erna Avenue – company officials and Mayor James L. Richetelli, Jr. will officially open a new plant at 500 Bic Drive, Milford. The ribbon cutting ceremony will begin at 1 p.m.

Milford Fabricating provides sheet metal fabricating and welding services for area manufacturers serving the medical, aerospace and transportation industries. The Pohl family has operated Milford Fabricating since 1947, and remained in business during the rebuilding process.

Further information is available by calling (203) 878-2476, ext. 18, or the Mayor's office, (203) 783-3201.
