## ADULT COED VOLLEYBALL

RELEASE ASAP / PLEASE REPEAT

Contact: Patrick Austin  
Recreation Supervisor

January 12, 2010

The Milford Recreation Department has begun team registration for its Spring Volleyball COED Leagues that are scheduled to begin in late March. Three COED divisions (A, B & C) will be offered. The A & B division plays Monday nights and the C division plays Wednesday nights.

Entry fees for all leagues are \$50.00 per team plus additional nonresident and former resident fees; team registrations only. The league now accepts non-residents for both levels of play for an additional \$10.00 per non-resident or former resident. Milford based companies are also eligible to register as an "industrial" team. Non-residents currently playing in the league for an industrial team are exempt from this fee provided the whole team qualifies as an industrial team. All non-resident participants are eligible on a seasonal basis until further notice, however he/she will not be offered a "grandfather" exemption in the event that resident demand increases.

All games will be played at the Parsons Complex Gymnasium and/or the West Shore Recreation Center. The registration fee and coaches contact information will secure a team's spot in the league. The League Director must receive these items by **Wednesday, March 3, 2010**. Registration is on a first come, first serve basis until leagues are full. Completed roster will be due at a later date. Updated rules such as "let" serves and rally point have been adopted into the some leagues (COED A); complete rules and eligibility information is available at the Recreation Department at the Parsons Complex - 70 West River St. For more information call Patrick Austin at 783-3390 or [paustin@ci.milford.ct.us](mailto:paustin@ci.milford.ct.us)
