Hydro Aerobics Classes – Willie Samuel 2012 - Session II

Hydro Aerobics classes are non-impact workouts that are designed to increase your muscle strength, endurance, flexibility, and improve your cardiac conditioning. These classes are also great for individuals with ailments such as arthritis or heart disease.

Aquatic exercise is a great alternative to regular aerobic and strength training classes, as the water provides support and minimizes joint irritation while providing resistance to your movements.

The 8 week **morning class**, taught by Willie Samuel, will be held on Monday, Wednesday, and Fridays from 9:30am to 10:30am, at the McCann Natatorium (old Milford Academy) beginning on **Wednesday, April 4th, 2012 and ending on June 1st, 2012. No classes 4/6/12 and 5/28/12.**

Mon/Wed/Fri 9:30am – 10:30am \$80.00 Residents / \$85 Non-Residents

Wednesday, April 4, 2012 - Monday, June 1, 2012 – 24 Classes
