

# Milford Unified Sports and Young Athletes Program

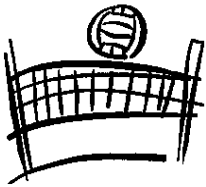

---

## Come join our team!

The Milford Unified Sports Team is open to any student enrolled in the Milford Public Elementary School System!

## What is Unified Sports?

Unified Sports is a program designed by Special Olympics to teach sports skills to students with different abilities. This elementary program teaches sport skills, provides inclusion of all children and creates friendships.

Good news... there are now programs at the middle school and high school levels so there is room to grow!

## Who are we?

Our program is volunteer based. Mr. Steven Madancy, principal of Pumpkin Delight School, is the coach of the program. Alexa Kovlakas, former student, coordinates and handles middle & high volunteer orientation. The Milford Kiwanis support the elementary program providing healthy snacks and team shirts to participants.
