Disposition of Minutes: Motion to accept the minutes as presented made by Commissioner Leuchtner and seconded by Commissioner Nierenberg, motion carried.

Wardens Report: Motion made by Commissioner Nierenberg and seconded by Commissioner Leuchtner, motion carried.

Department Report: Rick reported that Chris was sworn in as the new ACO. The kennel keeper job inside. He had to go to the BOA meeting for the department's transfers. The Chairman of the Board made it a point to comment on how lucky the City was to have such a great Animal Control facility. Mulch was delivered for the outside kennels. The outside Pens are being cleaned up and mulch is being put down so that the dogs are comfortable outside in nice weather. He also reported that ALL of the tile floors in the building are crumbling and cracked. This can be a sanitary issue as the bare floor is exposed. He is waiting for the new fiscal year to have PW replace the entire floor. There is a Disaster Preparedness drill scheduled for July 31, 2010.

Correspondence: None

Commission Report: Chairman Blake reported that she attended the Disaster Preparedness Demo on Sat. and was very impressed. Chairman Blake said the Team should be on how a disaster would be handled.

Old Business:

Volunteer update: Laurie was not there but Rick stated the program was still going strong.

Feral Cat update: Rick reported that they are keeping up as best they can. There are not as many kittens this year as in the past.

Financial update: Donations have been a little slow due to the entire economy.

Pet Food Bank: Cat food needed. Jan offered to go to retailers who sell pet food and see if we can get donations. Chairman Blake reminded the Commissioners that they agreed at a previous meeting to bring a pet food donation to every meeting.

Ordinance: Tabled

A motion to adjourn was made by Commissioner Nierenberg and seconded by Commissioner Leuchtner. Meeting adjourned at 12:25

Respectfully Submitted,
