The shelter is off quarantine. Only the pup who came in with the parvo and one other dog were affected. All the dogs in the shelter got a series of shots for prevention. Orange requested we have a rabies clinic in Oct. The shelter will be attending the health fair at the Senior Center on 9/23/13. Chairman Blake asked Pat what the status with the meeting with the Mayor was? Pat said she had made the third attempt to schedule a meeting with Mayor Blake to no avail. Commissioner Leuchtner made a motion to send the Mayor a registered letter requesting a meeting with him and the Animal Commission to discuss the future of the shelter, and to cc the Board of Alderman as they are the appointing body, and to also put a deadline date for response of Oct. 1, 2013.
