\$3 million for roads

Purchase or lease new Bulk Waste storage property Housatonic plant repairs- gas
recovery of methane. Install new digesters that are more efficient Beaver Brook
plant needs a new blower

Concerns:

Smith

82 Chatham Av tree. Argenteri

41 Benson tree

Golden

Dog Park needs repairs. Can access be gained during winter months? Saley suggested surplus milling stored at Eisenhower can be used for parking lot Golden suggested new signage

German

Soundview off Hillside and Edgefield (Summit). People are parking in areas that block access. Saley suggested parking is the jurisdiction of the Police Commission.

Highview. Water settling in certain areas that compromises safety

Bevan

Sidewalks on Welches Pt. Rd from Hamlet to Calf Pen need attention. Are they concrete or asphalt? (12 houses) Tree lifts a concern.

Vetro

TriBeach 3'ft easement overgrown and has to be cleared. Rick to be assigned by Chris.

Linda Daigle 177 Merwin Avenue. Tree has embedded power lines Hillside and South Street. Clean catch basin

42 Soundview catch basin

Mattress at Harley and Anderson. Done?

Vetro asked that a follow-up tickler system be used to insure that concerns have been completed.

Adjourned at 8:44pm

Next mtg Jan. 25 7pm PW Garage

Respectfully submitted,

Alderman Bryan Anderson
