B-14-893	GRISWOLD DAVID I &	Detached Garage/Accessory Structure	9/29/2014	19	FARLEY RD	Single Family	<p>Construct a 24'x24' two-car garage on same footprint with second story for storage with half bathroom. New foundation will be constructed.</p> <p>Plan Review Comments:</p> <p>Construction documents indicate TJI 14 inches deep at 16 inches on center. Review of the manufacturer's website indicates TJI 230 will satisfy the code minimums for deflection. Please confirm through supplementary documentation.</p> <p>Contractor has indicated that the application for permit will be to provide unfinished space upstairs. Rough-ins of electrical and plumbing work, framing for future powder room, insulation, and gypsum wallboard shall be provided through a separate building permit. It is noted here that additional furring that may be required in order to obtain the required R-values will be authorized under the separate permit.</p> <p>Verification of minimum code required ventilation of attic and concealed spaces will be provided through separate permit.</p> <p>Construction documents do not indicate height of upper level from garage floor slab, verification of stair compliance with building code</p>		\$40,000.00	\$483.00
