### IMPORTANT: READ THE FOLLOWING CAREFULLY

If a street opening is necessary, applicant must comply with provisions of STREET OPENING ORDINANCE (note requirements regarding barricades, flashers, backfilling and surface restoration). If a sidewalk opening is necessary, applicant agrees to protect opening with barricades and flashers, to restore walk to its original condition and maintain backfilled trench area for a period of twelve (12) months after work is completed.

In accordance with City Ordinance Section 23-37: Owner to bear costs of installation and connection, indemnification of City for loss, damage. All costs and expense incident to the installation and connection of the building sewer shall be borne by the owner. The owner shall indemnify the City for any loss or damage that may directly or indirectly be occasioned by the installation of the building sewer.
