- V. **Chairman's Report:**

Chairman McGrath sent a letter on behalf of the Commission to the Chief of the New Haven Fire Department regarding the devastating loss they are experiencing. He expressed his thoughts and prayers to the fallen firefighter's family and the injured firefighters. Chairman McGrath congratulated the Fire Department on Yale New Haven Health - Bridgeport Hospital having recognized the Milford Fire Department as the 2020 EMS Service Provider of the Year.

- VI. **Committees Report:**

- a) Personnel Committee: Commissioner Stein stated the concerns will be raised under Chief's report.
- b) Maintenance & Equipment: Commissioner Brennan raised concerns regarding the maturity of Tower 1.

- VII. **Chief's Report:**

Local 944 Contract with the City - The Chief informed the Commission the contract has been finished. The city wanted to reduce the manpower, that being said manpower will remain at 25 due to Tower 1 being put out of service with a medic truck being run instead. Options for a pierce ascendant ladder truck were discussed, as new buildings and heights should be a concern within the city.

New Chiefs Car – The Chief reported that the mayor had stated he would be able to get a new Car 1 and to contact him at the end of the month.

701 North St Project – The Building Department and architect were meet regarding a city project through the Fire Marshal Office. It was stated that all codes will be adhered to.

New Ambulance – A new ambulance has been ordered with EMS revenue funds. The goal was to have it in service by shift change but the arrival has been delayed until August. All medic trucks will be the same style Ford Horton Ambulance.

New Engine 4 – The new truck is now on its frame and will soon be available to view online.

New Haven FD – The Chief stated the New Haven Fire Department reached out to neighboring departments to cover a twenty four hour shift. Their whole department will be attending the funeral. Milford will be down a unit, as it is sending a crew to cover for New Haven; but the manpower will still be in place.

Recruit Testing – There will be a test run for the department with the goal of sending recruits to the academy for the fall. Chief Edo explained the current process of hiring. Commissioner Stein stated he would normally bring up concerns in the Personnel Sub Committee but feels the committee should be more involved in the selection process. The Fire Commission is the hiring authority as it states in Sec. 12 of the City Charter. He also stated how commissions in bordering cities are involved in the process and meetings were specific to the hiring process. This final process will allow members to interact with the future men or women who are going to create a career for the next twenty – twenty five years with the department.

Commissioners Stein and Weber made and second a motion to change the post offer hiring process to include an interview with the Chiefs and Board of Fire Commissioners. The Board will then enter into executive session to discuss candidates at special hiring meetings. Motion carried unanimously.

Commissioners Stein and Brennan made and second a motion to change the post offer hiring process application to include “The Board of Fire Commissioners is the hiring authority and shall interview and make conditional offers of employment. Candidates shall be considered in rank order.” Motion carried unanimously.
