

Minutes of the special meeting and site walk of the Inland Wetlands Agency on May 02, 2018 at 80 Flax Mill Lane.

A. Roll Call

Present: Nathan Buchok, Jim Connors, Ken Cowden, Carol Dunn, Lily Flannigan, Ed Mead and Steve Munson.

Absent: Ranjit Bhawe, Matthew Connors and Brendan Magnan.

Also Present: MaryRose Palumbo, Lisa Streit, Tom Collucci and Ron Wassmer.

Buchok called the meeting to order at 6:00 p.m. and reminded everyone that this is a Public Meeting and all questions must go through the Chair and there can be no discussion other than location of the proposed work in relation to the wetlands line. All other questions must be taken up at the next regular meeting.

A motion was made by Connors, seconded by Munson that the MIWA act as a committee as a whole and to adjourn after the last question is answered. The motion carried unanimously.

B. Old Business

1. **IW-M-06-025: 80 Flax Mill Lane, Thomas Collucci** – proposed modification to a permit for construction of a single family house, driveway and associated infrastructure with construction and grading within 150' of a wetland or watercourse in the Wepawaug River Watershed. Proposed access culvert.

It was a clear sunny day. Ron Wassmer oriented the site to the plan. The IWA entered the site over the wooden bridge by wetlands flag #5. The IWA viewed the site of the proposed culvert; the top of the culvert is to be level with the street. The tree viewed is to remain.

There being no further questions, the meeting adjourned at 6:10 p.m.

Respectfully submitted,

Lisa Streit
