

MGAT

Milford Government Access Television

Regular Meeting Minutes.

Tuesday September 25, 2012

Meeting called to order 7:02 pm

Present members, Michael Manente, Barbara Genovese, Paula Paterson.

Motion was made and seconded to approve June 26, 2012 minutes, and were approved by the Committee

Chairman Manente reported that MGATs Parsons facility was burglarized, and a piece of equipment was stolen. He added the theft was reported to the Milford Police department, and the School Superintendents office. The equipment was replaced out of MGATs equipment budget and hopefully it should be reimbursed by insurance. Chairman Manente also reported he met with the Principal of Jonathan Law High School, and the school Superintendent and they would like to submit programming for air on the educational channel. Chairman Manente said MGAT looks forward to their programming, and he asked the Superintendent to encourage Foran High to do the same.

There was no public comment.

During GATA Chairman Manente reported we have enough funds to start streaming on the web and this should be the way we go. Paula added Chairman Manente should consult with Ron Davis, the access coordinator in Orange to see what equipment they are using.

During Budget Chairman Manente reported that all MGAT accounts are on track. He also reported he would have MGATs ledger sheets for next month's meeting.

There was no Line Tech. report.

During old business, the Committee asked that Chairman Manente email them a copy of the original Uverse agreement document. He agreed and explained the City Attorney's office is still rewording it, and hopefully it will be done soon.

During new business Paula asked about getting new members to increase the Committee to possibly seven. Chairman Manente said he would discuss this with the Mayor.

Chairman Manente also reminded the members that MGATs 2013 meeting dates need to be finalized by December. He added he would have the tentative dates for the next meeting.

Chairman Manente informed the members he will be leaving MGAT at the end of this year.

Adjournment 7:32 pm.
