Motion to accept the previous minutes tabled

Michael Manente reported that there was a power outage on September 27th, but MGAT was now back on the air. There was a brief discussion for the installation of a battery backup for the server. The server will be ordered using up the last of the 09-10 grant funds. Installation and training will be funded in lieu of additional equipment purchases. Announcement request forms need to be designed for the community bulletin board that will be available after the new server is installed. The GATA grant applications will now be submitted in January. There have been complaints about the audio at Parsons Complex. There will be a walk through with Phil Russell in October to get approval to rewire the BOE meeting room.

Phil Kearney made a motion that after due consideration the MGAT meeting place will remain at Platt Tech H.S. Motion passed.

The equipment inventory was reviewed.

Arney Rogoff presented the producer's report.

No public comment.

Michael Manente moved to adjourn the meeting. Seconded by: Toby Zabinski. Motion passed.

Meeting adjourned at 8:50 PM.
