Dear Mr. Jepson,

The Eisenhower Park Study Committee has scheduled an OPEN HOUSE on **Tuesday January 23, 2007** (7:00–9:00pm) in the City Hall Auditorium. A snow date has also be set for Wednesday January 24, 2007 (7:00 - 9:00pm). The purpose of this Open House format is to present the Future Vision Plans for Eisenhower Park to the public, after which the public is invited to come forward and review the maps that outline each of the phasing processes for park rehabilitation and enhancement. The public is also encouraged to mingle with the Mayor, EPSC Members, City Department Heads, and other Elected Officials.

Please record and notice this meeting for the public and media as required by FOIA at your earliest convenience. We will be contacting city staff to arrange for a recording secretary for this meeting. In the meantime, should you have any questions, please feel free to contact me.

Sincerely,

Mark Lofthouse
Chairman
