

CITY OF MILFORD
SEWER COMMISSION PUBLIC HEARING
September 22, 2021

The Sewer Commission of the City of Milford held a Public Hearing on Wednesday, September 22, 2021, via Video Teleconference ZOOM.

The following Commissioners were in attendance:

Chairman Edmund Collier
Vice Chairman Vito Castignoli
Commissioner Brian Bier
Commissioner Bradford Hubler
Commissioner Tara Carroll

Others in attendance:

Lindsay King, Wastewater
Christopher Saley, Director of Public Works
Robert Tedeschi, Sewer Consultant, Weston & Sampson
Martin Hardiman, BOA Liaison
Beverly Hayes, Recording Secretary

Commissioners and others not in attendance: *None*

Chairman Collier called the meeting to order at 6 P.M.

Chairman Collier welcomed Tara Carroll to the Sewer Commission explaining that she is a welcome addition to the Commission.

Chairman Collier explained that public comments will be restricted to these projects only. He then turned the meeting over to Lindsay King who summarized the following projects:

Sanitary Sewer Pump Station Upgrades No 1 – Various Locations

Mayflower Place Gravity Sanitary Sewer and New South Washington Street Bypass Manhole

Generator Replacement - West Avenue Pump Station & Gulf Pond Pump Station (Shadyside Lane)

Generator Replacement Various Locations & Portable Generator

Clarifier Repairs at Housatonic WWTP

Capacity, Management, Operations and Maintenance (CMOM) Program

Collection system Flow Evaluation to develop a prioritized evaluation schedule of SSES work

Rogers Avenue Sanitary PS Upgrades

Wastewater Facilities Plan

West Avenue Parallel FM Lining

Repair Roofs at Beaverbrook and Housatonic WWTP

Commissioner Hubler asked if these are in order by priority. Mr. King responded yes. Commissioner Carroll questioned if they are listed by priority as to cost or necessity. Mr. King responded they are prioritized by necessity. He works closely with our sewer consultant Weston & Sampson to work on the greatest need. Chairman Collier added that the Capital Improvement Plan is still required to be submitted for approval to the Mayor and Board of Alderman. Commissioner Castignoli added that it is good to see the generators on the project list as they have been a problem in the recent storms.

There were no public comments from the citizens of Milford.

Chairman Collier closed the Public Hearing at 6:16 pm

Respectfully submitted,

Beverly A. Hayes, BS,
Recording Secretary
