Cars are being parked on both sides of the streets creating a bottleneck for emergency vehicles. E. Warren has contacted Officer Davidson in the Milford Traffic Division who states that Morningside

has all of the signs that we are entitled to and nothing more will be added without conducting a study which would be too costly. The study would be very expensive and feels it is unnecessary.

7. Miscellaneous

a. Toys for Tots – Lauri will be getting info out so that people can drop off Toys for Tots.
