**Milford, CT, April 5, 2016** - Mayor Ben Blake announces the City of Milford is accepting applications for its Residential Housing Repair Programs funded with Community Development Block Grant Program (CDBG) monies received from the U.S. Department of Housing and Urban Development (HUD).

The CDBG Residential Housing Repair Programs are designed to provide Milford owners of single family and multifamily properties with an affordable loan to make necessary repairs and energy efficient improvements to their property. The owner must submit an application to determine both income and project eligibility based on HUD regulations and program requirements.

The program information and application are available in electronic format at [www.ci.milford.ct.us](http://www.ci.milford.ct.us) on the City of Milford's Department of Economic & Community Development web page. Contact the CDBG Coordinator at 203-783-3230 to discuss the program.
