A motion was made by Commissioner Leuchtner and seconded by Commissioner Diamond, to accept the Wardens Report. Motion carried.

Director George reported that the State is talking about charging to get into the park. It isn't clear how this will effect the shelter. It is possible that the City may move the shelter to another area. He also reported that he will be doing a seminar on Emergency sheltering, Human and Animal, in West Haven and Old Saybrook. He reported that St. Gabes School raised \$940.00 and 10 boxes of food for the shelter. The washing machine in the kennels is broken beyond repair. A motion was made by Commissioner Diamond and seconded by Commissioner Leuchtner to buy a new washing machine with an extended warranty, motion carried unanimously.

Chairman Blake reported that we received \$203.65 in donations at the walk-a-thon. She also asked Director George if the Commission could have a monthly accounting of all the donations.

Pound pooches is status quo.

Many new people are volunteering at the shelter.

The walk-a-thon was a success. We don't have tally's yet as Karen from Milford Hospital is on vacation. It was decided that we need to have it earlier in the spring to get away from Pirates day. Pet Supplies Plus, in Orange, would like to sponsor us next year.

A motion to adjourn was made by Commissioner Tudor and seconded by Commissioner Diamond motion carried, meeting adjourned at 12:55.

Respectfully Submitted,
Pat Liptak
