A motion to accept the Wardens report was made by Commissioner Nierenberg and seconded by Commissioner Diamond. Motion carried.

Rick reported that the kennels were under quarantine for 14 days because of Parvo. Stan is going to inoculate all of the dogs at the shelter for Parvo. Rick stated that he had been in touch with other area ACOs and they have all had Parvo at some point this year. They feel it is from all the dogs that are coming in from down South. Rick stated that we received a \$1000.00 donation from Wal-Mart, and also someone had stolen our bottles and cans so the pen is padlocked now.. Also someone dumped a cat in a carrier with a note from "Sabrina".

Pound Pooches is status quo.

As of the quarantine the volunteers can not walk the dogs so they have been socializing the cats.

Commissioner Diamond reported that the non-profit is now incorporated and we have an employee ID #. We need to find an

attorney that will help us get our 501-3c status. Hopefully we can find one who will do it pro-bono. If not then we will pay and get reimbursed at a later date.

A motion to adjourn was made by Commissioner Nierenberg and seconded by Commissioner Diamond. Meeting adjourned at 12:45

Respectfully Submitted,
