I. CALL TO ORDER

Ms. Glennon called the Committee of the Whole meeting to order at 7:02 p.m. in the Board of Education Room. She noted Mrs. Federico will attend via phone.

II. MILFORD PUBLIC SCHOOLS DISTRICT PRIORITIES AND GOALS 2016-2020

Mr. Burt provided an overview of the collaboration of the Board and Administration that led to the development of the district's academic targets that were adopted in October 2017. Prior to targets being developed, the Board had to establish what the Board Goals and Priorities would be. The Goals and Priorities will have a strong emphasis on the district's mission and vision. Following a workshop with the CSDE Chief Performance Officer, the Board and Administration had a final set of district academic targets. The targets are used to monitor the district's progress towards its Goals, by reviewing annual state and district assessment data. There are three types of targets for the district in math and literacy; "year over year achievement", "year over year growth" and "cohort", or same students' growth over time. Mr. Burt then reviewed the targets against the district's student achievement data from 2016.

The Board requested a chart listing the assessments and the administration dates.

III. PUBLIC COMMENT

Mrs. Berni – 96 Centennial Drive – Mrs. Berni asked if there is a way to show the growth of a "gift and talented" student.

Being no further comments, Ms. Glennon called for a motion to adjourn.
