City of Milford, Connecticut 2016-2017 Annual Budget

Mayor's Message

To:

The Honorable Board of Finance

From:

Benjamin G. Blake, Mayor

Date:

January 25, 2016

Subject:

GENERAL BUDGET for the fiscal year from

July 1, 2016 to June 30, 2017.

In accordance with Article VI, Section 1 of the Charter of the City of Milford, I respectfully submit, herewith, the general government portion of the City budget for fiscal year 2016-2017.

In Milford, there is little disagreement on the resources we aspire to achieve and maintain for our residents. We all want successful schools, reliable roads, and safe sidewalks. We want a superb senior center and a sound and balanced budget. We want the best bond ratings and our operations to be more effective and efficient than ever. Whenever and wherever possible, we look to generate real revenue to help offset the cost of City operations. We want the character of our neighborhoods protected and our downtown vibrant and bustling. We want a safe and secure place to raise our children and grandchildren with beautiful green open spaces and stellar parks and beaches. What we really want here in Milford is a city that we are proud to share with visiting family and friends who are so wowed by all that Milford has to offer that they consider moving here too.

With such a common interest in what we all want for Milford, our local budget debates focus on how to realize our goals and prioritize our resources. There is a balance that must be struck between the need to provide quality services and the cost of those same services.

During this budget process, we must ask ourselves: how we will maintain and invest in our infrastructure, our schools, our police, our fire, and our senior center without placing an undue tax burden on our residents? Do we really need a particular product or service and what is it truly worth? What can we afford and how can we be sure we are getting the most out of our tax dollars? Are there better models in other municipalities? These are the questions that will challenge us as we review, discuss, and ultimately adopt our annual budget.

As we ready for the budget work that lies ahead, we can take some comfort that we stand on the footing of a fiscally firm foundation. Milford has an enviable mill rate - far less than any of our neighboring communities. Our prestigious bond rating, prudently managed fund balance, and sound pension fund are all products of Milford's conservative budget approach.

Going into the 2016-2017 Mayor's Budget, I'm happy to report that the spending-side of this request reflects one of the lowest increases in over a decade. While cost drivers like debt service and pension contributions continue to grow, we are working hard and making changes that will limit these liabilities. At the same time, the recent adjustments we have made to the administration and plandesign of our health care program - the City's largest expense after wages - are beginning to yield real results and we continue to focus on managing health care costs.

On the revenue side of this budget, we are projecting a positive trend. With the rise of new businesses locating to Milford, coupled with an increase in residential and commercial constructions, the City's Grand List, which had remained relatively flat since the national financial crisis of 2008, is now beginning to expand. Moreover, we are in the process of implementing several new revenue streams to ease the burden on local taxes.

While this initial proposal reflects a conservative starting point, your board, the Finance Board, as well as the Board of Aldermen will ultimately have an opportunity to further improve upon this budget. As you review this financial plan, prioritize resources, and adopt your own recommendations, I ask that you reflect on our collective vision for Milford - a small city with lots of New England charm that continues to prosper in the 21st Century. Your work over the next few months will help us to realize this vision and foster a community we are all proud to call home.

Thank you for your time, your diligence, and your consideration.

City of Milford, Connecticut 2016-2017

Pursuant to Article IV, Section 8 of the Charter of the City of Milford, the Board of Finance ("BOF") herein presents its recommended 2016/2017 Budget to the Board of Aldermen.

The BOF has approved, for Fiscal Year 2016/2017, a Total Budget of \$204,941,392 which results in a recommended new mill rate of 27.83. The approved mill rate is 0.05 lower than the current fiscal year mill rate of 27.88, representing a decrease in the mill rate. The proposed increase in the total budget is approximately \$2,760,720 or a 1.36% increase. The BOF notes that the actual mill rate is dependent upon receipt by the City of the anticipated increase in revenue from the General Purpose State Grants and in particular the Property Tax Relief: Municipal Revenue Share grant in the amount of \$2,700,000. This new grant will significantly offset the anticipated decrease of other existing State Grants, e.g., the \$359,862 reduction in the State Realty Pilot Grant. It is anticipated that this Property Tax Relief: Municipal Revenue Share revenue will allow the City to reduce the amount of funds utilized from the Appropriated Fund Balance by \$500,000.

In regards to the Mayor's Proposed Budget ("Mayor's Budget"), the BOF has again essentially approved the Mayor's Budget as presented except for certain technical corrections and other matters that were requested by the Mayor and Department Heads during the BOF hearings on the Mayor's Budget.

The following are of particular note in the BOF's Recommended Budget.

The BOF is recommending the addition of a new Superintendent of Public Works position in the Public Works Department. This new position is essentially budget neutral and may actually result in a small savings as a result of the corresponding elimination of a Worker Leader position and a Laborer position from the Solid Waste Department. The BOF recommends that the Board of Aldermen ("BOA") approve this Superintendent of Public Works position as it will result in increased efficiencies in the operation of the Public Works and Solid Waste Departments.

Additionally, the BOF also approved the Mayor's Budget request as to funding for the Borough of Woodmont. However, a member of the BOF did express significant reservations about the Borough's practice of awarding no bid public works contracts and sought to reduce Borough funding by the sum of \$10,000.

As a result of another successful refunding of existing bond obligations, the City should be able to reduce its debt service charges again this year. The amount of these reductions was not fully known at the conclusion of the BOF deliberations, but the BOA should anticipate lower Public Debt Service and School Debt Service

Board of Finance Message

increases than would have otherwise been the case in the absence of the City's bond refunding.

Lastly, the Wastewater Department has for the fourth consecutive eliminated the expense of Nitrogen Credits from its account. It should be noted that the BOF's 2012/2013 Recommended Budget contained \$376,431 in the Wastewater Account for the purchase of nitrogen credits. The Wastewater Department should be commended for the efficiency of its wastewater treatment plants and elimination of the need to purchase nitrogen credits.

In regards to the Milford Board of Education's ("BOE") Budget for Education Operations ("EO"), the BOF approved an increase of 0.66% over the 2015/2016 BOE budget. The BOF's approval results in an increase of \$601,312 in EO funding which sum is \$175,000.00 less than the amount requested by the BOE. Once again, a significant difference between the amount requested by the BOE and the amount approved by the BOF relates to School Resource Officers ("SRO"). The BOE budget request included one-half of the cost of these new SRO positions, but the balance of the cost of these new positions was not included in the Mayor's Budget. Accordingly, the BOF considered it appropriate to reduce the BOE budget by the amount allocated to these new SRO positions. Additionally, members of the BOF did not agree with the BOE's requested increase in 4101 - Heat Energy (natural gas) account or the proposed amount for 4104 account - Energy Conservation Services. The BOF's EO recommendation was not unanimous as one member of the BOE sought to increase the BOF's recommended increase in BOE funding by another \$85,000. Conversely, other members of the BOE sought a smaller increase in BOE funding.

Nevertheless, the BOF's recommended increase in the BOE budget should provide sufficient funds for the BOE to employ additional buses to support the BOE's policy change in walking distance. The benefits of the new busing policy were presented to the BOF by members of the public during the public hearing on the BOE Budget. It should be noted that the BOE successfully removed \$427,500 in costs associated with the realignment of the elementary schools to K-5. The BOE presented these costs as one-time expenses in its 2015/2016 budget and the BOE should be commended for its successful realignment efforts and removal of these costs from the BOE's 2016/2017 budget request.

Respectfully submitted, Brian A. Lema, Chariman AN ORDINANCE ESTABLISHING A BUDGET FOR THE CITY OF MILFORD FOR FISCAL YEAR 2016-2017, SETTING THE MILL RATE AND ESTABLISHING A DUE DATE IN ACCORDANCE WITH THE PROVISIONS OF THE CONNECTICUT GENERAL STATUTES AND THE CHARTER OF THE CITY OF MILFORD.
