Mayor's Message

City of Milford, Connecticut 2019-2020 Annual Budget

To:	The Honorable Board of Finance
From:	Benjamin G. Blake, Mayor
Date:	January 23, 2019

Subject: GENERAL BUDGET for the fiscal year from July 1, 2019 to June 30, 2020.

In accordance with Article VI, Section 1 of the Charter of the City of Milford, I respectfully submit, herewith, the general government portion of the City budget for fiscal year 2019-2020.

With the help of this entire community, Milford continues to thrive. Our city employees, department heads, volunteers, political leaders, and an entire village of contributors have all worked diligently to seize upon opportunities which ensure exceptional city services, unparalleled public safety and extraordinary schools.

Notably, new business continues to skyrocket as we outpace all other Connecticut towns and cities. This past year alone, we have had 465 new businesses make Milford home. A tidal wave of economic development has helped grow our tax base to over \$6.7 billion; we now have the largest Grand List in New Haven County and one of the top in the State.

All of this expansion has benefited Milford's bottom line, supporting the overall budget. Taxpayers have now experienced back-toback-to-back tax cuts - three consecutive decreases in the amount of local taxes due; no other town in the State can boast this experience.

And while commercial growth is a big part of our fiscal success, our path toward prosperity remains grounded in our drive for efficiency. Our workforce is leaner than ever and we work very hard to streamline city operations through good old fashioned Yankee thrift and common sense. Indeed, we are proud of Milford's accomplishments: a tax rate that is fair with excellent services; pristine parks, beaches, and open spaces that enhance quality of life for all; and, a progressive optimism that turns potential problems into possibilities while pushing us all to work for a better, stronger, more innovative community. As we continue along this trajectory, we are also sure to safeguard the traditions, heritage, history, and attributes that make Milford the envy of the world.

The proposal presented reflects the prudent framework under which our local budgets have traditionally been structured. At the same time, this financial plan represents a solid investment in a more livable city. I look forward to working with you as we set our sails to powerfully persevere on this journey of discussing, debating, refining, and ultimately adopting a 2019-2020 City of Milford budget. Thank you for your consideration. Pursuant to Article IV, Section 8 of the Charter of the City of Milford, the Board of Finance ("BOF") herein presents its recommended 2019/2020 Budget to the Board of Aldermen.

The BOF has approved, for Fiscal Year 2019/2020, a Total Budget of **\$216,528,371** resulting in a recommended new mill rate of **27.68**. The recommended mill rate is **0.06** lower than the current fiscal year mill rate of **27.74** and represents a slight decrease in the mill rate.

The estimated net taxable Grand List for October 1, 2018 is **\$6,576,682,875** which sum represents an increase of approximately **\$9,514,000** over the net taxable Grand List for October 1, 2017 of **\$6,567,168,379**. The 2018 Grand List was initially calculated to increase by approximately **\$42,000,000**, but the anticipated increase was adjusted downward as a result of the settlement of a number of pending property tax assessment appeals.

In regards to the Mayor's Proposed Budget ("Mayor's Budget"), the BOF approved the Mayor's Budget as presented. The Mayor's Budget essentially maintained level funding for the various departments and agencies of the City of Milford with the modest increases attributable to existing contractual obligations.

There are, however, several notable items in the BOF's Recommended Budget.

First, in conjunction with the recent implementation of the new financial and accounting software, the BOF approved the reclassification of certain positions. Specifically, the Tech Assistant/Clerk A and Part Time Payroll Clerk positions formerly included as budgeted positions in the Management Information Systems (MIS) department have been moved from MIS to the Finance Department and reclassified as a Payroll Supervisor and a Part Time Payroll Clerk, respectively. Additionally, a new budgeted position of Human Resources Assistant has been added to the Human Resources Department. This new position was offset by the elimination of a Truck Driver-Laborer position from Solid Waste. The BOF believes that the reclassification of these positions will lead to greater efficiencies and generally improve the operations of these City departments.

Secondly, due to significant market changes related to the disposal of solid waste and recyclable materials, the City's waste removal costs have increased significantly. The City previously received revenue from the disposal of its recyclable materials, but now has to pay to dispose of recyclables at a rate that is actually higher than the cost to dispose municipal solid waste. As a result, waste removal costs have increased and the recycling revenue line item has been decreased by \$80,000.00. Finally, the BOF has in the past expressed concerns about the potential loss of substantial funds related to the State of Connecticut's elimination/reduction of state reimbursement for the cost of teacher pensions. Unfortunately, as a result of anticipated changes in state funding levels of teacher pensions this year, the City will likely see an increase of approximately \$300,000 in required contributions to the teacher's pension fund.

The Milford Board of Education ("BOE") Budget for Education Operations ("EO") submitted to the BOF for the 2019/2020 fiscal year proposed an increase of **1.89%** over 2018/2019 approved levels. The BOF approved the 2019/2020 BOE budget as submitted. The BOF's approval results in an increase of approximately **\$1,763,332** in EO funding for a total EO budget of **\$95,078.487**. This figure does not include the additional **\$28,215,391** for education related expenditures included in the City budget for such items as health insurance contributions and school debt service. The BOF's recommendation to fully fund the BOE's budget request for 2019/2020 will allow the BOE to continue to provide the highest level of education to our students and to meet the educational challenges facing our City.

However, the BOF's EO funding recommendation was not unanimous as two members of the BOF sought a smaller increase in BOE funding and voted to reduce the BOF's recommended increase in BOE funding by \$600,000.00. These members expressed concerns about the magnitude of the recommended increase given the anticipated budget surplus in the BOE's 2018/2019 budget, as well as, the continuing decrease in student enrollment.

Members of the BOF are indeed deeply and legitimately concerned about current BOE funding levels in light of the continuing trend of decreased student enrollment and would like to see the BOE implement a long term plan and to take the appropriate measures to address the decline in student enrollment.

Given the very real potential for continuing significant future reductions in the amount of Educational Cost Sharing funds distributed by the State of Connecticut and for the requirement of increased contributions from the City to such educational related costs as teacher pensions, it imperative for both the City and the BOE to plan for the potential loss of these funds so as to avoid significant future impacts on both the City budget and BOE operations.

Respectfully submitted,

Brian A. Lema, Chairman
