To: The Honorable Board of Finance

From: Benjamin G. Blake, Mayor

Date: January 21, 2015

Subject: GENERAL BUDGET for the fiscal year from July 1, 2015 to June 30, 2016.

In accordance with Article VI, Section 1 of the Charter of the City of Milford, I respectfully submit, herewith, the general government portion of the City budget for fiscal year 2015-2016.

Local government is mandated to provide services for residents, businesses, and students in the most responsible manner possible. The current proposed budget accomplishes these objectives with a reliable, conservative, and balanced approach that has been the hallmark of Milford's fiscal management.

Achieving a prudent budget is the City's most fundamental obligation. While the annual budgetary process begins with an inter-departmental meeting in October of each year, "next year's budget" is the critical issue that, as mayor, I examine, discuss, and piece together every day of the year. The City's department heads work diligently with me to determine a sensible financial future for the City. For the three months following our initial meeting in October, I engage these directors and their staff, as well as local officials, experts, and most importantly, the citizens of Milford, and collectively we develop a budget to recommend.

I am happy to report that this 2015-2016 Mayor's Budget protects our community's core values by ensuring our public safety departments operate at optimal levels, our public infrastructure is properly maintained, and our social safety network is robust. At the same time, each of our department heads has been challenged to hold the line on spending and streamline the approach by which services are delivered-guaranteeing that Milford City Government will be more efficient and productive than

ever before.

Under this budget plan, there are a few personnel adjustments, the net result of which bears no new employees and no additional cost. Instead, the new positions in Accounting and Open Space are offset by targeted reductions in the Health and Sewer departments. For the past several budget cycles, the Finance Department has requested a new accounting position to keep pace with the ever-increasing requirements brought on by contractual and statutory changes in employee benefits, the growing complexity of recent accounting pronouncements, and the escalating demands of regulatory mandates. With respect to the Open Space and Natural Resource Agent, this position has been funded by Open Space accounts on a Seasonal/Temporary basis for the past two years. During this time, this position has reaped huge benefits for our community, including the development of a comprehensive inventory of open space properties, as well as the acquisition and management of millions of dollars in never-before-seen Federal, State, and private grants. The accomplishments of Milford's Open Space and Natural Resource Agent are clear and I am therefore advocating that this position be folded into the operating budget so that we might make certain the continuation of these important services.

Ultimately, your board, the Finance Board, as well as the Board of Aldermen will have the opportunity to further fine-tune and finalize this budget. As you enter deliberations, please know you have my full support and the support of all City personnel. I encourage you to thoughtfully consider the advice of our residents, taxpayers, employees, department heads, actuaries, and other subject matter authorities, as you review this proposed budget and adopt your own recommendations. Together, we will create a better, stronger, more prosperous Milford. Thank you for your consideration.

Pursuant to Article IV, Section 8 of the Charter of the City of Milford, the Board of Finance ("BOF") herein presents its recommended 2015/2016 Budget to the Board of Aldermen.

The BOF has approved, for Fiscal Year 2015/2016, a Total Budget of **\$202,180,372** which results in a recommended new mill rate of **27.88**. The approved mill rate is **0.66** higher than the current fiscal year mill rate of **27.22**, representing an increase in the mill rate of **2.4%**. The increase in the total budget is approximately \$3,843,450 or a **1.94%** increase. The BOF is hopeful that the actual increase in the mill rate will be less as it is anticipated that additional revenue sources will be identified by the Mayor and included in the budget adopted by the Board of Aldermen.

In regards to the Mayor's Proposed Budget ("Mayor's Budget"), the BOF has essentially approved the Mayor's Budget as presented except for certain technical corrections and other matters that were requested by the Mayor and Department Heads during the BOF hearings on the Mayor's Budget.

The following are of particular note in the BOF's Recommended Budget.

Once again, the BOF is recommending the addition of an Accountant position in the Finance Department. Although the BOF has included this position in its budget for the last few years, this position has failed to gain approval by the Board of Aldermen ("BOA"). The BOF would respectfully request the BOA finally approve this Accountant position given the increased demands facing the Finance Department and the continued need for this position.

Additionally, the BOF also approved the Mayor's Budget request to fund the position of an Open Space Manager. Given the continued role being played by the Open Space Manager in regards to the acquisition and management of grant funds, the BOF approved this position. However, members of the BOF did express significant reservations about the long term rationale for this position. Accordingly, it is anticipated that the BOF may revisit the funding for this position in future budgets.

In regards to the Milford Board of Education's ("BOE") Budget for Education Operations ("EO"), the BOF approved an increase of 2.0% over the 2014/2015 BOE budget. The BOF's approval resulted in an increase of **\$1,797,407** in EO funding which sum is \$100,000.00 less than the amount requested by the BOE. The primary difference between the amount requested by the BOE and the amount approved by the BOF relates to School Resource Officers ("SRO"). The BOE budget

request included one-half of the cost of these new SRO positions, but the balance of the cost of these new positions was not included in the Mayor's Budget. Accordingly, the BOF considered it appropriate to reduce the BOE budget by the amount allocated to these new SRO positions. Nevertheless, the BOF did include in its recommended BOE budget sufficient funds for the BOE to employ Greeters at the middle schools and a Security Coordinator, all of which are new BOE positions. Additionally, the BOF approved the BOE's request for approximately \$400,000 to fund the costs associated with realignment of the elementary schools to K-5. These costs are presumably one-time expenses and it is anticipated that they will not be included in the BOE's 2016/2017 budget request. The BOE was able to successfully offset its increased costs with significant reductions in certain areas, including a decrease in other staff levels and in transportation costs that resulted in approximately \$1,972,566 in savings. The BOF encourages the BOE to continue its efforts to take the appropriate measures to address the significant decline in student enrollment.

Respectfully submitted,

Brian A. Lema, Chairman
