City of Milford, Connecticut 2023-2024 Annual Budget

Mayor's Message

To:

The Honorable Board of Finance

From:

Benjamin G. Blake, Mayor

Date:

January 26, 2023

Subject:

GENERAL BUDGET for the fiscal year from

July 1, 2023 to June 30, 2024

In accordance with Article VI, Section 1 of the Charter of the City of Milford, I respectfully submit, herewith, the general government portion of the city budget for fiscal year 2023-2024.

With this 2023-2024 proposal, I have now helped shape twenty (20) separate City of Milford budgets - eight (8) as a member of the Board of Aldermen and twelve (12) as mayor. After two decades of budgeting, I have found that Milford, like Connecticut, is a "land of steady habits." The Small City with a Big Heart appreciates steady, reliable financial management. Residents and businesses favor stability. Significant variations in taxes or local services do not resonate well within our community.

We all remember that last year's state-mandated revaluation substantially shifted property assessments, causing unease throughout town. While Milford had enjoyed an extended period of year over year tax cuts for every resident and business, market forces during the revaluation resulted in benefits for certain properties with others experiencing burden. In many cases, the revaluation caused taxpayers who were accustomed to a predictable annual levy to pay drastically more OR considerably less than years prior. For example, a certain single family colonial house in a residential neighborhood experienced a ~\$1,500 uptick in property taxes after the revaluation, while one of the city's largest commercial taxpayers realized a ~\$500,000 decrease in the amount of taxes due.

As the effects of the revaluation reverberate, Milford's focus is on a return to dependable balance. Our priority is to provide high quality services in the most efficient, effective, and affordable manner possible. With serious headwinds to confront, we must address the upcoming financial difficulties and find ways to off-

set anticipated financial drivers like salary increases and massive spikes in our health care costs. We must carefully examine our school spending to better understand why, after a decade of modest, sustainable growth, the Board of Education is now recommending a budget that increases spending by 100% more than any increase previously proposed. And finally, we must consider how the state, national and global financial climate will influence our local workforce and operations.

As inflation swells and the economy gyrates, individual City employees have requested raises. In Milford, most workers are members of collective bargaining units and wage increases are negotiated as part of the regular contract renewal. For these unionized members, we should continue the practice of good faith salary negotiations between labor and management. For non-represented personnel, compensation adjustments are traditionally enacted through ordinance following contract settlements between the City and their corresponding bargaining units. Consequently, non-represented employees' salaries generally remain static during budget deliberations, as compensation is instead modified following the ratification of a union contract. If, during this budgetary process, there is an appetite to alter Milford's custom and reconsider how and when to amend nonrepresented employee salaries, the matter is worthy of review and discussion, but should be implemented in a consistent and equitable manner.

In addition to wage considerations, the City will be asked to closely examine all other aspects of government services and scrutinize how much funding is required to ensure another responsible fiscal year. Ultimately, this 2023-2024 financial proposal reflects the starting point for the annual Milford budget as it holds spending to a minimum while maintaining necessary municipal functions.

Thank you for your commitment to the community and your willingness to serve our residents by dedicating your time and talents to our city's financial well-being. Please know that I am grateful for the good work of our volunteer Boards that sustain and support us all.

Board of Finance Message

Pursuant to Article IV, Section 8 of the Charter of the City of Milford, the Board of Finance ("BOF") herein presents its recommended 2023/2024 Budget to the Board of Aldermen.

The BOF has approved for Fiscal Year 2023/2024 a Total Budget of \$251,184,478 resulting in a recommended new mill rate of 26.94. The recommended mill rate is 0.29 more than the current fiscal year mill rate of 26.65 and accordingly, represents an increase in the mill rate of approximately 1.09%.

The estimated net taxable Grand List for October 1, 2022 is \$7,959,870,022 which sum represents an increase of approximately \$66,637,369 over the net taxable Grand List for October 1, 2021 of \$7,893,232,653. While the increase in the 2022 Grand List is significantly less than last year's increase because of the revaluation of all taxable real and personal property which occurred in October 2021, it represents a positive indicator of the continued economic growth and activity in the City of Milford over the last year.

Regarding the Mayor's Proposed Budget ("Mayor's Budget"), the BOF essentially approved the Mayor's Budget as presented with a few technical changes.

As with last year's budget, the significant cost factor driving increases in the Mayor's Budget this year are the substantial increases in insurance costs. In particular, the Self Insurance Contribution increased from a projected cost of approximately \$13,594,446 to a projected amount of \$16,084,338. There is also a significant increase in the Education Health Insurance Contribution from a projected cost of \$21,047,603 for the 2022/2023 fiscal year to \$24,501,376 for the 2023/2024 fiscal year.

The BOF also approved the Mayor's request for an increase of approximately \$800,000 in the City's contribution to the Pension: Fire/Police/General for the total amount of \$14,600,000. This contribution represents a significant \$3,300,000 increase in the total pension contribution since the 2021/2022 fiscal year.

Finally, the BOF approved the Mayor's request to add an additional police officer position. However, due to the elimination of a position in the Solid Waste Department, there is no net increase in City employees.

The Milford Board of Education ("BOE") Budget for Education Operations ("EO") submitted to the BOF for the 2023/2024 fiscal year

proposed an increase of 4.390% over 2022/2023 approved levels.

In recent years and particularly during the COVID-19 pandemic, the BOF essentially approved the BOF's budget funding requests. However, given the substantial tax increase experienced by many residential taxpayers last year as a result of the statutorily required revaluation and the significant increase in the market value of residential real estate, members of the BOF were concerned that the BOE's requested increase was simply not sustainable. The BOF's goal is to find the correct balance between appropriate and sustainable education funding while avoiding significant increases in the mill rate and taxes which would impose undue financial hardship on the taxpayers of the City of Milford during an uncertain economic environment.

Accordingly, the BOF approved a **2.58%** increase of approximately **\$2,631,815** in EO funding for a total EO budget of **\$104,640,134**. This figure does not include the additional **\$32,312,420** approved by the BOF for education related expenditures included in the City budget for such items as health insurance contributions, school debt service and school nurses which amount represents an increase of approximately **6.75%** over last year's expenditures of **\$30,255,197**.

BOF's EO funding recommendation was not unanimous. One member of the BOF moved to approve the full amount of the increase in the BOE funding requested by the BOE, but the motion failed to pass. Other members expressed concerns about the net increase of 9.8 FTE certified and 2.2 non-certified staff positions (which includes the movement of 4.8 FTE from the ESSER 2 grant to the general fund budget). Ultimately, the increase in the BOE funding which was approved by the BOF represents one of the largest increases in BOE funding both in terms of dollar amounts and percentages over the last decade.

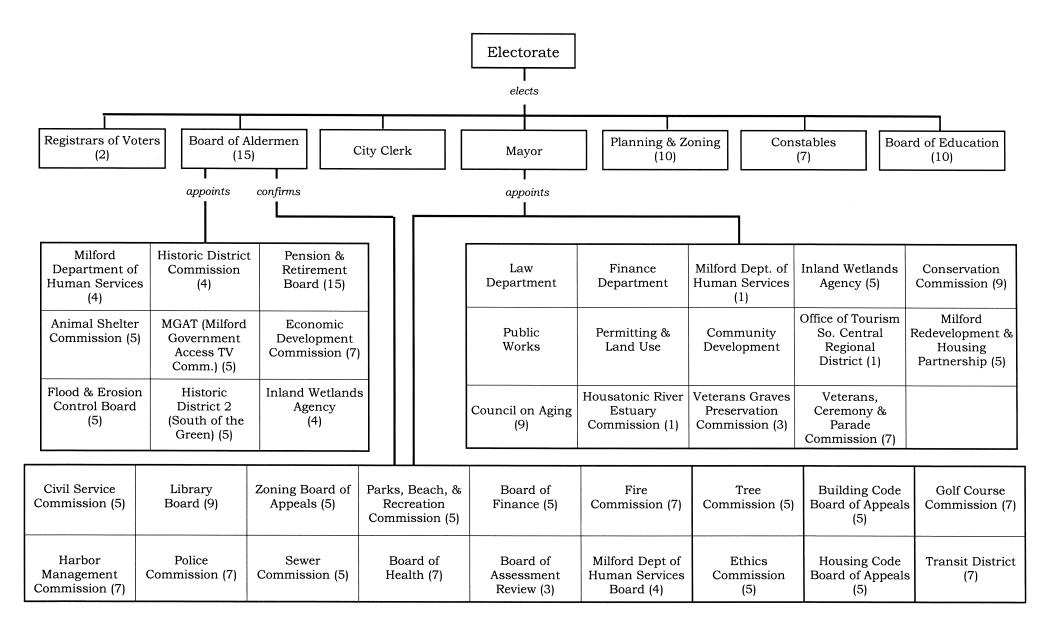

The BOF would like to thank the Mayor, Finance Department, BOE and the City and BOE staff and administration for their continued efforts to provide the highest level of services and education to the community and to meet the challenges facing the City of Milford.

Respectfully submitted,

Brian A. Lema, Chairman

(To appear in the Board of Aldermen's Adopted Budget)

The Street Lighting account represents amounts paid to the United Illuminating Company for street light rental and electric charges to operate the City's street lights.

Hydrant rental and hydrant water charges are amounts paid to the Regional Water Authority for the rental of the City's fire hydrants, which are owned and maintained by the Authority, which also provides water service.
