Also Present: Chris Field, Terry Field and members of the public.

Absent: Alan Cegan, Lynne McNamee and Michael DeGrego.

Collins called the meeting to order at 5:30 p.m. A motion was made by Margeson, seconded by Munson that the IWA act as a committee as a whole and adjourn after the last question is answered. The motion carried unanimously

B. Old Business

- 1. IW-A-11-025: 36 Ettadore Parkway, Christopher Field** – two lot subdivision with one existing and construction of one single family home in and within 100' of a wetland or watercourse in the South Central Shoreline Watershed.

It was a dry, sunny day. MaryRose reviewed the rules of a site walk and reminded members of the public to refrain from speaking to Commissioners about this project. Any questions should be directed to the Compliance Officer. MaryRose proceeded to orient the site to the plans.

The corners of the proposed house were flagged. Wetlands flag #7 was viewed in relation to the proposed house. The proposed mitigation area was viewed as well as the bioretention area. The property line was viewed as well as the silt fence location area. The tidal wetland flagged area was also viewed.

Two trees in the middle of the site were viewed that are to be removed. (one tulip tree and one locust tree). The applicant stated that he will try to save the tree closest to the street.

There being no further questions, the meeting adjourned at 5:45 p.m.

Respectfully submitted,

Lisa Streit
