B. Old Business

- 1. IW-A-14-001: 0 Westmoor Road, Field & Son Builders, LLC - Proposal for a single family home with work within 100' of a wetland in the South Central Shoreline Watershed.**

A motion was made by DeFlumeri, seconded by Cowden for the IWA to act as a committee as a whole and to adjourn after the last question is answered. The motion carried unanimously.

It was a cold, sunny day with snow on the ground. Collins reviewed the rules of a site walk. C. Field oriented the site to the plan in front of the front right corner of the proposed garage. The IWA then proceeded on site to the back corner of the proposed house. Wetland flags #14, #15 and #16 were viewed. It was noted the trees to be removed. The trees beyond the proposed split rail fence are to remain. DeFlumeri asked if the wetlands had a tide influence. MaryRose stated that she was not sure.

There being no further questions, the meeting adjourned at 4:15 p.m.

Respectfully submitted,

Lisa Streit
