

MGAT

Milford Government Access Television

Regular Meeting Minutes.

Tuesday March 27, 2012

Meeting called to order 7:17 pm

Present members, Michael Manente, Chad Bedell, Barbara Genovese. Also in attendance Line Producer Arney Rogoff

Chairman Manente reported he will meet with the Board of Aldermen on April 9 to discuss MGAT budget items. He also reported MGAT needs to hire a second tech able to cover meetings and functions. He also reported a resident of Milford had questions regarding Uverse. Chairman Manente reported that he explained to this resident the situation regarding Uverse. He also reported he is completing the next round of GATA grant applications for the city and the school system. He also reported on questions regarding other committees and boards entering Executive Session during an MGAT recording. After discussion by the Committee, MGATs official policy is, MGAT will make every effort to not record any part of any Executive Session, however we cannot guarantee this, and we will not take responsibility for any part of any executive session that is recorded. MGAT further suggests that all boards, whose meetings are recorded, should adopt policies with this in mind.

There was no public comment.

The latest round of GATA is now being prepared. On the city side Chairman Manente reported we are applying for a dedicated laptop for the server, and funds to begin streaming video on demand on the internet. He reported this will greatly enhance our services. We will also apply for labor fund to match the city contribution. He is also canvassing the school board for their wish list.

Chairman Manente reported on the budget and all MGAT accounts are on track.

Line Producer Arney Rogoff reported on an Executive Session incident during a Board of Ed meeting. He also reported on recordings for the month.

During old business, Uverse was brought up, discussed, and tabled.

No new business

Adjournment 8:17 pm.
