

Milford Government Access Television Committee

Tuesday, May 25, 2010

Platt Technical High School
Room 113
600 Orange Avenue
Milford, CT 06461

Call to Order: 7:13 PM

Attendance: Michael Manente, Michael Cavallaro, Paula Patterson

Motion to accept the previous minutes made by Michael Cavallaro, Seconded by Paula Patterson.
Motion passed.

Michael Manente reported that Fairfield University commencement was broadcast live on May 23, 2010. There was a discussion about which I-net locations are currently utilizing cable boxes. Mike Manente will contact Jennifer Young at Cablevision to verify the number of boxes received by MGAT.

Michael Cavallaro presented MGAT financial information. Michael Manente will check and verify the GATA grant amount.

Toby Zabinisky was not present to report on contacting the Facility Director of the Parsons building to discuss and plan for the installation of additional wiring from the modulator to the Board of Education room.

The line producer reported that the laptop computer and editing software has been received. This has greatly enhanced the production of DVD's. The storage cabinet will be ordered. A new DVR will be purchased to replace the existing one that is no longer functioning properly.

Michael Manente moved to adjourn the meeting. Seconded by: Michael Cavallaro. Passed.

Meeting adjourned at 9:25 PM.
