

Library of Things Donation Agreement

Donations:

The Milford Public Library gratefully accepts gifts, donations, endowments, and bequests that are appropriate to its mission, including items for our Library of Things. Those wishing to donate to MPL's LoT must call 203-783-3307 and make an appointment with the Assistant Director. No LoT donations will be accepted without an appointment.

Gifts of personal property for inclusion in the LoT may be accepted if they are compatible with the Library needs and facilities. Acceptance of such gifts will be at the discretion of the Director.

No gift / donation will be accepted with restrictions, without prior approval of the Library Director. All gifts become the property of the Milford Public Library and the library reserves the right to sell, dispose, or manage items in the best interest of the Library. Donations accepted for the LoT may be recognized by personalized tags/labels, inclusion on the Library's digital Donor Recognition display, and/or written acknowledgments.

Contributions may be tax-deductible. The Director is responsible for accepting gifts and determining how they may best benefit the Library.

The Library can provide receipt of donation for items brought to the Library during business hours; however, the Library will not provide any statement as to the value of the donated items.

Please refer to MPL Gift Policy for additional information.
