Our favorite historian, Hamish Lutris will present a series about the Vietnam Era. The first program “You Have a Row of Dominoes Set Up” will be concerned with the Vietnam War itself. Second, “They’re Here to Preserve Disorder” will concern the Vietnam War at home, and the war’s impact on our society. Finally, the Watergate case will be explored in “Breaking Into the Home of Every Citizen.” Lutris’s talks are well researched, lively and engaging.
