### APPLICATION FOR TEMPORARY WAIVER OF PARKING REGULATIONS

#### **IMPORTANT NOTICE:**

It is incumbent upon you, the applicant, to pick up, complete and return this application **14 days in advance** of the date you are requesting the waiver. If your application is not delivered 14 days in advance to the Traffic Division, Police Headquarters, your request will be denied without review. A returned application within the prescribed time limit does not guarantee approval and is subject to an in-depth review by the Traffic Division of the Police Department.

Any consideration to be extended is only for the times specified in your request and exclusively for the type of consideration listed or conveyed to you. No consideration can be or will be extended for parking requests, which would be a violation of 14-250a – 14-254 title 14 of the Connecticut General Statutes inclusive. Violations of these statutes will be subject to enforcement actions and violators subject to penalty as prescribed by law. Any parking request does not absolve the requestor from compliance to all other municipal ordinances or State and Federal laws.

It is important to complete all spaces indicated on this application. Incomplete applications may not be reviewed and may necessitate resubmittal, which if tardy, would result in denial of the request.
