Chairman Cooke called the meeting to order at 6 P.M. stating that Information will be presented by Westcott and Mapes, Inc. on the following projects:

**Housatonic Wastewater Digester Gas Piping Repairs  
&  
Repair/Replace Sanitary Sewer Force main Failures at Various Locations**

Chairman Carroll explained that public comments will be restricted to these projects only. He then turned the meeting over to Mark Davis, Westcott & Mapes, consultant to the Sewer Commission.

Mark Davis explained that the Housatonic Wastewater Digester Gas Piping Repairs will empty the primary Digester Tank to clear clogged digester gas piping, inspect equipment, valves and piping to determine condition and need for further repair. Westcott & Mapes will prepare bid documents and provide Construction Administration services to the project. He added that this project has been bonded and approved by the Board of Alderman.

Mark Davis explained that the Sanitary Sewer Force Main – Repair and Replace Sanitary Sewer Force Mains at various locations will first address the Boston Post Road Force Main located between North Street and West River Street where there have recently been 3 breaks. Westcott & Mapes will prepare the design and provide Construction Administration services to the project. He added that this project has been bonded and approved by the Board of Alderman.

Chairman Cooke closed the Public Hearing at 6:05 P.M.

Respectfully submitted,

---
