Chairman Robert Carroll opened the Public Hearing at 6:00 p.m.

The City of Milford, Connecticut, hereby gives notice of a public hearing to be held on Wednesday, April 25, 2018 at 6:00 p.m. in the Parsons Complex, 70 W. River Street, Milford, Connecticut, in Conference Room C, by the Sewer Commission with reference to the creation of a ICD Corridor Design Sewer District, special sewer district rate of 3,000 gallons per day per acre. This district would include all the properties located in the ICD Zone. The owners of properties to be affected shall have an opportunity to be heard concerning the proposed sewer district expansion.

Ray Macaluso, Consultant to Sewer Commission presented the Special Sewer District Map which includes the parcels located in the ICD Zone. This proposal would allow 3,000 gallons per day per acres. He explained that this special sewer district was requested in 2010 before the Sewer Commission. It was stipulated back then that several sewer projects be completed before the Public Hearing be held and Special Sewer District be created. He explained that this would have no impact on the sewer infrastructure and the Mayor is in support of the change. Discussion ensued regarding the individual parcels affected.

Citizens Comments: *None*

Chairman Carroll called for a motion. Commissioner Castignoli made a motion to create the Special Sewer District with Commissioner Cooke seconding the motion. The motion carried unanimously.

Chairman Carroll called for a motion to adjourn the meeting at 6:07 pm.

Commissioner Collier made a motion to adjourn the Public Hearing at 6:07 pm seconded by Commissioner Hubler. The motion carried unanimously.

Respectfully submitted,

Beverly A. Hayes, BS,
Recording Secretary
