

PLOT PLANS

CITY OF MILFORD, CONNECTICUT

Department of Permitting and Land Use

Every application must include **THREE** copies of a to-scale plot plan, showing the existing and proposed work.

Ensure that your plot plan includes:

- Address of the property
- The name of the proposed project
- A north arrow
- The scale (for example, 20" of property = 1 inch or 1 foot = 1/8 inch)
- The location and dimensions of existing structures
- The location and dimensions of proposed structures
- (Indicate proposed structures with a dotted line)
- The location of the septic tank (if applicable) or indicate "sewer"
- Distances to property lines
- Distances between structures
- The name of the street or streets that front your property
