

OVERVIEW

POCD proposed schedule/road map

Review a POCD section (read section prior to meeting)

- 1) Discuss/remove items from Action Plan which have been accomplished.
- 2) Review items for relevance.
- 3) Schedule experts for a given topic.
- 4) Schedule staff interviews with Departments/local stakeholders for expertise.
- 5) Have informal meeting with experts/local stakeholders with the committee.
- 6) Update data for each section which includes maps, graphs.
- 7) Identify new issues and add to new draft action plan.
- 8) Formulate draft of updated or new POCD section (this may incorporate written edits submitted by Committee members through Google docs)
- 9) Repeat #1-8 for each section/topic of the POCD.
- 10) Have public hearing(s) on draft plan
- 11) Update draft plan as needed based on public input.
- 12) Circulate as required per statute for adoption.

SPECIFICS

- 1) Determine if a specific issue or item in a POCD section needs to be updated/clarified/removed; if so, do it.
- 2) If a specific issue or item needs input from an expert or stakeholder, schedule a staff interview and/or have them come before the Committee.
- 3) Keep issues and action items relevant to the POCD mission: It is a planning tool, not an implementation tool.
- 4) The Committee should work through the plan in an organized fashion, updating the Action Plan on each item, removing items that are no longer applicable and adding new items as appropriate.
- 5) After the initial review, the committee will be in a better position to identify new sections that may need to be added, and sections that will need updating.
- 6) Then repeat numbers 1 through 3, above, as needed.
