9. GENERAL TERMS.

- a. Entire Agreement. This ISAA constitutes the entire Agreement between the Parties with regard to information sharing. However, if this ISAA is used to supplement a contract between the Parties, to the extent there is any conflict between a term of this ISAA and a term in other acquisition documentation, the term of the underlying acquisition, including the Homeland Security Acquisition Regulations (HSAR) Safeguarding of Sensitive Information (MAR 2015) and Information Technology Security and Privacy Training (MAR 2015) clauses will supersede.
- b. Effective Date, Duration,and Termination. This ISAA will become effective upon the signature of both Parties and will remain in effect for 3 years or the lifetime of the acquisition period, whichever is shorter. However, FEMA will only provide the information identified in Appendix A for the disaster period of assistance or, if applicable, for the period of time specified in the Routine Use, whichever is longer. Either party may terminate this Agreement upon written notice to the other party.
- c. Modification. This ISAA may be modified upon the mutual written consent of the Parties.
- d. Counterparts. This ISAA, when executed in any number of counterparts and by different Parties on separate counterparts, each of which counterparts when so executed and delivered shall be deemed to be an original, and all of which counterparts taken together shall constitute but one and the same Agreement.

The product was created by the recipient and does not necessarily reflect the official position of the U.S. Department of Labor. The Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. This product is copywrited by the institution that created it."

7. PUBLICITY

Nor shall funds be used to pay the salary or expenses of any of Contractor's officers, officials, agents or employees, related to any activity designed to influence legislation or appropriations pending before the Congress.

8. FACILITY STANDARDS AND LICENSING COMPLIANCE

The WorkPlace may refuse to make payments under the terms of the Contract for services for any period of the term of the Contract during which Contractor is found to have violated applicable local and state licensing, zoning, building, health, fire and safety regulations, ordinances, standards and criteria of pertinent authorities unless Contractor is formally contesting the authority to require such standards, regulations, ordinances, and criteria or unless Contractor has submitted a corrective action plan to The WorkPlace and The WorkPlace has approved the plan in writing.

In addition to the rights and remedies specified by the Contract, The WorkPlace shall have all the other rights and remedies granted to it by law in the event of or default by Contractor under the terms of the Contract.

10. EXCUSABLE DELAYS

Except with respect to defaults of subcontractors, Contractor shall not be in default by reason of any failure in performance of the Contract in accordance with its terms, if such failure arises out of causes beyond the control and without the fault or negligence of Contractor. Such causes may include acts of God, fires, floods, etc. but in every case the failure to perform must be beyond the control and without the fault or negligence of Contractor.]

If not, Contractor must submit a detailed description list to the Program Manager for review within 30 days of the Contract/agreement award date. Failure to do so will necessitate the need for approval of equipment purchase on an individual basis.

14. <u>LEASE EQUIPMENT – ASSIGNABILITY</u>

- (A) Contractor agrees that in the event it enters into any lease agreement(s) for the use of personal property in performance of the Contract with funds provided under the Contract, Contractor shall provide The WorkPlace with a copy of any and all such lease agreement(s) immediately upon the execution of said lease agreement(s).

Upon receipt of a Contract, Contractor will receive instructions for accessing the financial reporting system and payment management process. All reports become due no later than ten (10) days after the end of each reporting month.

- (B) Contractor agrees to provide access to The WorkPlace, or where applicable, any of its duly authorized representatives to any books, documents, papers, and records (including computer records) of Contractor or subcontractor which are directly pertinent to charges to the Contract, in order to conduct audits and examinations, and make excerpts, transcripts, and photocopies; this right also includes timely and reasonable access to Contractor's personnel for the purpose of interviews and discussions related to such documents.
- (C) Contractor shall preserve and make available all financial records, supporting documents, statistical records, and all other pertinent records for each funding period for a period of three (3) years. The retention period shall start from the date of submission of the final expenditure report for that funding period.

The aforementioned records shall be retained beyond the prescribed period, if any litigation or audit is begun or if a claim is instituted involving the Contract. In these instances the records shall be retained until the litigation, audit or claim has been finally resolved.

- (D) All costs shall be supported by properly executed payrolls, time records, invoices, contracts, vouchers or other official documentation evidencing in proper detail the nature and propriety of the charges. All checks, payrolls, invoices, contracts, vouchers, orders or other accounting documents pertaining in whole or in part to this agreement shall be clearly identified and readily accessible.
- (E) Contractor shall comply with all State of Connecticut and federal auditing requirements. This includes, unless and to the extent specifically exempted by law, the requirement of Conn. Gen. - (F) To the extent required under applicable law, Contractor will comply with the federal Single Audit Act of 1984, P.L. 98-502 and the Amendments of 1996, P.L. 104-156 and with the Connecticut General Statutes 7-396a and 396b, and the State Single Audit Act, 4-230 through 236 inclusive, and regulations promulgated there under. Contractor agrees that all fiscal records pertaining to the project shall be maintained for a period of not less than three (3) years, and for five (5) years if any federal funds are used

pursuant to the Contract. Such records will be made available to State of Connecticut and/or federal auditors upon request.

- (G) At any time prior to final payment under this agreement, The WorkPlace may have the invoices and detailed statement of costs examined. All current and prior payments shall be subject to reduction for amounts found not to constitute an allowable cost.
- (H) Contractor agrees to include in all subcontracts hereunder, a provision to the effect that the subcontractor agrees that The WorkPlace until the expiration of the record retention period stipulated in Section 17(C), shall have access to and have the right to examine any directly pertinent books, documents, papers, and records of the subcontractor involving transactions related to the Contract.

17. PROGRAM REPORTING

Contractor agrees to provide, at the request of The WorkPlace, periodic progress reports relating to the general status of Program Client(s) placed under the Contract. Contractor further agrees to respond to any such request with reasonable promptness.

18. DELINQUENT REPORTS

The WorkPlace reserves the right to withhold payments for services performed under the Contract if The WorkPlace has not received on a timely basis acceptable progress reports, expenditure reports, refunds, and/or audits as required for any and all contracts Contractor has entered into with The WorkPlace.

19. LITIGATION

Contractor shall provide written notice to The WorkPlace of any litigation that relates to the services directly or indirectly financed under the Contract or that has the potential to impair the ability of Contractor to fulfill the terms and conditions of the Contract, including but not limited to financial, legal or any other situation which may prevent Contractor from meeting its obligations under the Contract.

Contractor agrees that the sole and exclusive means for the presentation of any dispute, controversy or claim arising out of or relating to the Contract shall be submitted to binding arbitration conducted in accordance with the American Arbitration Association rules (the "Rules"). Arbitration shall be held in *Bridgeport, Connecticut*, before a panel of at least one (1) arbitrator. Judgment upon the award rendered by the panel of arbitrators may be entered in any court having jurisdiction thereof or application may be made to such court for a judicial acceptance of the award and an order of enforcement, as the case may be.

20. LIMITATION OF COST

- (A) It is expressly understood and agreed that in no event will the total amount to be paid to Contractor under this agreement exceed the contract amount set forth on the face page of the Contract.
- (B) Contractor shall conform to the line item category set forth in Part IV Budget Summary, and as to each line item shall expend no more than the amount set forth in said provision, except upon the written consent of The WorkPlace.
- (C) Such funds will generally be made available by The WorkPlace to Contractor on a reimbursable basis, for eligible costs which are defined as being those costs which are necessary and reasonable for the proper administration and performance of services to be provided under the Contract. However, if The WorkPlace finds that Contractor is unable to function on such a basis, The WorkPlace may provide funds to Contractor for eligible costs on either an advance or working capital advance basis, as prescribed by The WorkPlace policy and procedures.
- (D) It is expressly understood and agreed that Contractor shall maintain ultimate liability for expenditures made under the Contract. This provision shall not be construed to limit the prerogative of Contractor to pass liability through Contract or written agreement in accordance with paragraph 11.

21. PAYMENT

34. VETERAN'S PRIORITY PROVISIONS

The Jobs for Veterans Act (Pub. L. 107-288) provides priority of service to veterans and spouses of certain veterans for the receipt of employment, training, and placement services in any job training program directly funded, in whole or in part, by Department of Labor (DOL). Contractors are required to provide priority of services for veterans and eligible spouses pursuant to 20 CFR part 1010, the regulations implementing priority of service for veterans and eligible spouses in Department of Labor job training programs under the Jobs for Veterans Act published at 73 Fed. Reg. 78132 on December 19, 2008. In circumstances where a Contractor must choose between two equally qualified candidates for training, one of whom is a veteran, the Jobs for Veterans Act requires that Contractors give the veteran priority of service by admitting him or her into the program. To obtain priority of service a veteran must meet the program's eligibility requirements. Contractors must comply with DOL guidance on veterans' priority. Currently, ETA Training and Employment Guidance Letter (TEGL) No. 5-03 (September 16, 2003) provides general guidance on the scope of the Job for Veterans Act and its effect on current employment and training programs. TEGL No. 5-03, along with additional guidance, is available at the" Jobs for Veterans Priority of Service" Web site: http://www.doleta.gov/programs/vets.

35. **INSURANCE**

Contractor's insurance must be sufficient to satisfy its obligations under the Contract and to "save harmless" The WorkPlace from any claims, suits or demands that may be asserted against it by reason of any act or omission of the Contractor, subcontractor or employees of either the Contractor or subcontractor(s) in providing services under the Contract. Contractor shall name The WorkPlace as an additional insured on the policy.
- (B) The insurance requirements herein are minimum requirements for the Contract and in no way limit the indemnity covenants contained in the Contract. The WorkPlace in no way warrants that the minimum limits contained herein are sufficient to protect Contractor from liabilities that might arise out of the performance of the work under the Contract by Contractor, his agents, representatives, employees or subcontractors and Contractor is free to purchase additional insurance as may be determined necessary.
- (C) Neither approval by The WorkPlace nor failure to disapprove the insurance furnished by Contractor shall relieve Contractor of Contractor's full responsibility to provide the insurance required by the

Contract. Compliance with the insurance requirements of the Contract shall not limit the liability of the Contractor or its sub-contractors, employees or agents to the State or others, and shall be in addition to and not in lieu of any other remedy available to the State under the Contract or otherwise. The WorkPlace reserves the right to request and review a copy of any required insurance policy or endorsement to assure compliance with these requirements.

36. INDEMNIFICATION

Contractor shall indemnify, defend and hold harmless The WorkPlace and its successors and assigns from and against all (a) actions, suits, claims, demands, investigations and legal or administrative proceedings pending or threatened, whether mature, un-matured, contingent, known or unknown, at law or in equity, in any forum (collectively, "claims") arising in connection with the Contract out of acts of commission or omission (collectively, the "acts") by Contractor or any of its members, directors, officers, shareholders, representatives, agents, servants, consultants, employees or any other person or entity with whom Contractor is in privity of oral or written contract (collectively, "Contractor Parties"); (b) liabilities arising in connection with the Contract, out of Contractor's or Contractor's Parties' acts concerning its or their duties and obligations as set forth in the Contract; and (c) damages, losses, costs and expenses, investigative costs and attorneys' and other professionals' fees, that may arise out of such claims and/or liabilities.

This indemnity includes any claim or amount arising out of or recovered under the Workers' Compensation Law or arising out of the failure of such Contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that The WorkPlace shall, in all instances, except for claims arising solely from the negligent or willful acts or omissions of The WorkPlace, be indemnified by Contractor from and against any and all claims. It is agreed that Contractor will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. In consideration of the award of the Contract, the Contractor agrees to waive all rights of subrogation against The WorkPlace, its officers, officials, agents and employees for losses arising from the work performed by Contractor for The WorkPlace.

On February 8, 2007, Governor Rell signed into law Public Act 07-1, An Act Concerning the State Contractor Contribution Ban and Gifts to State and Quasi-Public Agencies.
