- (iv) All scheduling referred to herein shall be coordinated between the Tenant’s Executive Director and the Recreation Director for the City of Milford.
- (v) Landlord’s use of any portion of the Parcel shall be restricted to that which is appropriate and compatible with Tenant’s use of the Property.

(c) Landlord shall be responsible for removing trash from the dumpster located on the Property for one (1) year following the Commencement Date. Thereafter, the Parties agree to meet annually to discuss trash removal. The City reserves the right to cease trash removal at each annual meeting to discuss same.

11. **TENANT'S PROPERTY.** For purposes of this Lease, "**Tenant's Property**" shall mean all furniture, machinery and equipment, movable partitions, communications equipment, inventory and other articles of movable personal property owned or leased by Tenant or its agents and located in the Property. All Tenant's Property shall be and remain the property of Tenant throughout the Term of this Lease and may be removed by Tenant at any time during the Term.

12. **LIENS AND MORTGAGES.** Landlord represents that Landlord is the sole owner of the fee simple interest in the Property, and that there is no mortgage or lien on the Property. Landlord shall not place any mortgage on the Property during the Term unless such mortgagee executes and delivers to Tenant a non-disturbance agreement which shall provide that such mortgagee shall recognize this Lease, and neither the foreclosure of the mortgage, nor the institution of any suit, action, summary or other proceeding against the Landlord, or any successor to the Landlord, shall by operation of law or otherwise result in cancellation or termination of this Lease or the rights of the Tenant hereunder, so long as Tenant is not in default beyond any applicable period of notice and cure. Each party shall keep the Property free from any liens arising out of any work performed, material furnished, or obligations incurred by such party, and shall indemnify and hold harmless the other party against any costs, counsel fees, fines, expenses and liabilities reasonably incurred in connection therewith. In the event that one party shall not, within thirty (30) days following the imposition of any such lien, cause the same to be released of record by payment or posting of a proper bond, the other party shall have the right, but not the obligation, to discharge the same either by payment or posting of a proper bond, and any amount so paid by such party and all reasonable costs and expenses incurred in connection therewith shall be payable to the other party on demand.

13. **INSURANCE.**

(a) Tenant's Insurance. During the Term, Tenant shall maintain in effect the following insurance coverage and shall provide a Certificate of Insurance to the Landlord upon each renewal period:

(ii) General liability insurance with combined single limit coverage, for personal injury, property damage or death arising out of any occurrence of at least Two Million (\$2,000,000.00) Dollars, naming Tenant as additional insured, which shall be on a primary non-contributory basis for Landlord's use of the Property, except for Tenant's negligence and/or failure to abide by the terms of this Lease.

(iii) Worker's compensation insurance as required by law.

(iv) All such insurance shall be issued by responsible insurance companies licensed to

do business in the State of Connecticut. Landlord shall deliver to Tenant a certificate evidencing such insurance on the Effective Date, and at the request of Tenant thereafter. All insurance required to be maintained by Landlord may be provided under blanket policies covering other locations operated by Landlord.

(c) Waiver. Tenant and Landlord shall have no claim against the other or the employees, officers, directors, trustees, managers, agents, shareholders, members, partners or other owners of the other for any loss, damage or injury which is covered by insurance carried by such party and for which recovery from such insurer is made, notwithstanding the negligence of either party in causing the loss. The foregoing waiver and release shall not apply, however, to any damage caused by intentionally wrongful actions or omissions.

14. INDEMNIFICATION.

(a) Tenant shall indemnify, defend and hold Landlord and Landlord's officers, directors, trustees, and employees, harmless from and against all fines, penalties, causes of action, governmental enforcement actions, loss, cost, liability or expense arising out of, related to or resulting from: (i) the use or occupancy of the Property by Tenant, (ii) the willful misconduct or negligent acts or omissions of Tenant, its agents, contractors, employees, invitees or licensees on the Property, (iii) the Tenant's failure to comply with Laws, or (iv) Tenant's breach of this Lease. (b) Landlord shall indemnify, defend and hold Tenant and Tenant's officers, directors, trustees, members, and employees, from and against all fines, penalties, causes of action, governmental enforcement actions, loss, cost, liability or expense arising out of, related to or resulting from: (i) the management, use or occupancy of any portion of the Property by Landlord or its agents, contractors, employees, invitees or licensees, including without limitation, any City Reserved Use, (ii) the willful misconduct or negligent acts or omissions of Landlord, its agents, contractors, employees, invitees or licensees on the Property, (iii) the Landlord's failure to comply with Laws, or (iv) Landlord's breach of this Lease. Such indemnification shall include, without limitation, the obligation to provide all reasonable costs of defense by legal counsel selected by Landlord (subject to Tenant's approval, which shall not be unreasonably withheld, conditioned or delayed) against any such claims. The foregoing indemnity shall exclude liability caused by the willful misconduct or negligent acts or omissions of Tenant or its agents, contractors, employees, invitees or licensees.

15. **CASUALTY.** If at any time during the Term of this Lease, the Property or any part thereof shall be damaged or destroyed by fire or other casualty of any kind or nature, ordinary or extraordinary, foreseen or unforeseen:

(a) Landlord in its sole but reasonable discretion shall repair or replace the Building on the Property as nearly as possible to its condition immediately prior to such damage or destruction. Such repairs, alterations, restoration, replacement, or rebuilding, including temporary repairs for the protection of other property pending the completion of any repairs, are sometimes referred to in this Paragraph as the "work."

(b) In the event that the Building (or other improvements constructed) on the Property shall be so extensive as to require the repair or replacement of ten percent (10%) or more of the Building, or shall require the demolition of the Building, either party shall have the option to terminate this Lease by written notice, whereupon (i) any insurance proceeds covering Tenant's Property or costs of relocation shall be the property of Tenant, and (ii) the obligations of the parties under this Lease shall cease as of the date of such notice (except for any obligations herein which explicitly survive a termination of this Agreement).

16. CONDEMNATION.

(a) Notice. Landlord shall promptly notify Tenant if it becomes aware that there will or may occur a taking of any portion of the Property by condemnation proceedings or by exercise of any right of eminent domain by the State of Connecticut or other governmental authority (each, a "Taking").

(b) Termination of Lease. In the event of the Taking of the entire Property (a "Total Taking"), this Lease shall terminate as of the date of such Taking. If there occurs a Taking of a portion of the Property or Property such that the remainder of the Property or the remaining Property shall not, in Tenant's sole and absolute discretion, be adequate and suitable for the conduct of Tenant's business (a "Partial Taking"), then Tenant may, at its option, terminate this Lease, and the Lease shall terminate upon written notice given to Landlord.

(c) Condemnation Award. Any award resulting from any Taking of title to the Property shall belong to Landlord, provided that any award specifically apportioned to the value of Tenant's Improvements, Tenant's leasehold or Tenant's personal property, fixtures, relocation costs or loss of goodwill shall be the property of Tenant. Tenant shall have the right to claim from the condemning authority such compensation as may be recoverable by Tenant in its own right for such items.

17. ASSIGNMENT AND SUBLETTING.

(a) Tenant may allow third parties to use the Property for events, meetings, and the like, in Tenant's discretion. Any income which may be derived from such subleasing or licensing shall belong to Tenant, to be used in support of Tenant's operations and programs and for its tax-exempt purposes, and to help defray Tenant's costs associated with the use of the Property.

(b) Tenant may not assign this Lease or sublet the entire Property.

18. **HOLDING OVER.** If the Tenant shall hold over the Property beyond the expiration of the Term or sooner termination of this Lease in accordance with the provisions hereof, Landlord may at its option: (i) elect to treat Tenant as one who has not removed at the end of its term, and thereupon be entitled to all the remedies against Tenant provided for herein in the event of default or as otherwise provided by law, or (ii) Landlord may elect to construe such holding over as a tenancy from month to month subject to the same terms and pursuant to the same stipulations, covenants and agreements as are herein contained.

19. **ACCESS TO PROPERTY BY LANDLORD.** Landlord and its agents shall have the right to enter the Property at all times during the Term of this Agreement and during any holdover period thereafter, provided that Landlord shall, so far as is practicable, avoid interference with Tenant's use of the Property.

20. TENANT'S DEFAULT

(a) Events Constituting Breach by Tenant. In addition to any other events of default described in this Lease, the occurrence of any one or more of the following events shall constitute a default and breach of this Lease by Tenant:

(i) If Tenant fails to promptly and fully perform any covenant, condition or agreement contained in this Lease and such failure continues for thirty (30) days after written notice thereof from Landlord to Tenant; provided, however, that if the nature of the covenant, condition or agreement is such that more than thirty (30) days are required for its performance, then Tenant shall not be deemed to be in default if it shall commence such performance within such thirty (30) day period and thereafter diligently proceeds to prosecute the same to completion; or

(ii) If Tenant files a voluntary petition for relief or if a petition against Tenant in a proceeding under the federal bankruptcy laws or other insolvency laws is filed and not withdrawn or dismissed within ninety (90) days thereafter, or if any court of competent jurisdiction assumes jurisdiction, custody or control of any substantial part of Tenant's Property and such jurisdiction, custody or control remains in force unrelinquished, unstayed or unterminated for a period of ninety (90) days; or

(iii) If in any proceeding or action in which Tenant is a party, a trustee, receiver, agent or custodian is appointed to take charge of the Property or Tenant's Property (or has authority to do so) for the purpose of enforcing a lien against the Property or Tenant's Property, and such appointment is not terminated within ninety (90) days.

(b) Landlord's Right of Reentry. In the event of Tenant's default hereunder, then in addition to any other rights or remedies Landlord may have under any law, Landlord shall have the right, at Landlord's option, to terminate this Lease and Tenant's right to possession of the Property and reenter the Property and take possession thereof.

(c) Landlord's Damages; Obligation to Mitigate. Should Landlord elect to terminate this Lease under the provisions of subsection (b) above, Landlord may recover any and all

damages or other remedies available to Landlord in law and at equity, including but not limited to any costs or expenses, including reasonable attorney’s fees, associated with the collection of said damages or remedies. In the event of Tenant’s default, Landlord shall have a duty to mitigate any damages which may accrue to Landlord by making all reasonable efforts to promptly relet or repurpose the Property.

21. **LANDLORD’S DEFAULT.** Landlord shall be in default if Landlord fails to perform any covenant, condition or agreement contained in this Lease and such failure continues for thirty (30) days after written notice thereof from Tenant to Landlord, provided however that if the nature of the covenant, condition or agreement is such that more than thirty (30) days are required for its performance, then Landlord shall not be deemed to be in default if it shall commence such performance within such thirty (30) day period and thereafter diligently proceed to prosecute the same to completion within a reasonable period. Upon Landlord’s default, Tenant may, at its option, (a) declare this Agreement terminated without prejudice to any additional remedy which may be available to Tenant, (b) by appropriate legal proceeding, require specific performance by Landlord, and/or (c) pursue any other right, remedy, or cause of action available to Tenant at law or in equity.

22. **LIMITATION OF LIABILITY.** In no event shall any trustee, advisor, beneficiary, director, officer, employee, member, volunteer, or agent of Tenant (collectively the “**Tenant’s Parties**”) be personally liable for the performance of Tenant’s obligations under this Lease. Landlord shall look solely to Tenant to enforce Tenant’s obligations hereunder and shall not seek any damages against any of Tenant’s Parties.

23. **QUIET ENJOYMENT.** Landlord covenants with the Tenant that Landlord has the right to lease the Property in the manner set forth in this Lease, and that, so long as the Tenant materially complies with all of the terms, covenants and conditions contained in this Lease, Tenant shall have the peaceable and quiet possession and enjoyment of the Property for the Term and any Renewal Term.

24. **NOTICES.** All notices, demands or communications required or permitted to be given under this Lease shall be deemed to have been given and received on the date the same is deposited in the U.S. Mail, postage prepaid, registered or certified mail, return receipt requested, or delivered, pre-paid, to a nationally recognized delivery service for overnight delivery, and addressed:

Landlord may designate a different contact person from time to time upon written notice to Tenant.

25. **SIGNS.** Tenant shall be permitted to install such signage on the Property, including the exterior façades of the Property, as Tenant shall deem appropriate or desirable for purposes of identifying the Property as being operated by Tenant. (a) Landlord is a municipal corporation validly formed and existing under the laws of the State of Connecticut. The person signing this Lease on behalf of Landlord has full authority to act on behalf of Landlord, and this Lease is a binding obligation of Landlord.

(b) Landlord is the sole fee simple owner of and has indefeasible and marketable title to the Property, free and clear of all liens, restrictions, easements, encumbrances, leases, tenancies or other matters affecting title (i) except for those items set forth on Exhibit A attached hereto, copies of which have been delivered to Tenant; and (ii) there are no agreements or restrictive covenants to which Landlord is a party or affecting the Property that prohibit or restrict the use of the Property for Tenant's intended use and Landlord will not enter any such agreement or restrictive covenant during the Term or any Renewal Term of this Lease.

(c) There are no other tenants, or any other persons or entities with rights to possession, options to purchase, or rights of first refusal, for all or any portion of the Property,

except only for City's Reserved Use as defined in this Lease.

(d) There is no pending or threatened exercise of the right of eminent domain or similar proceeding affecting the Property or any portion thereof, nor does the Landlord have knowledge that any such action is presently contemplated.

(e) The Property has full and free access to and from public highways and roads, and the Landlord has no knowledge of any fact or condition which would result in the termination of the current access to and from such existing highways and roads, or prohibit or impair full and free access to the Project.

(f) To the best of Landlord's knowledge, all utilities necessary for the use of the Property as contemplated by this Lease are currently available to the Property.

(g) To the best of the Landlord's knowledge, there are no hazardous wastes or environmental contaminants or controlled substances on, in, or under the Property, and Landlord has delivered to Tenant all environmental studies, reports, and information in the Landlord's possession or control concerning the Property. There are no underground storage tanks currently located on or in the Property, and all underground storage tanks previously located on the Property have been properly removed by Landlord in compliance with all Laws, including without limitation Environmental Laws and all municipal regulations and ordinances.

27. **ENTIRE AGREEMENT.** This Lease contains the entire agreement between the parties with respect to any matter covered or mentioned in this Lease, and no prior agreement or understanding pertaining to any such matter shall be effective for any purpose. This Lease may not be changed or modified except by a written instrument signed by the parties hereto.

28. **WAIVER.** The failure of Landlord or Tenant to insist upon a strict performance of any term or condition of this Lease or to exercise a right or remedy shall not be deemed a waiver of any such right or remedy that such party may have and shall not be deemed a waiver of any subsequent breach of such term or condition. Landlord's or Tenant's consent to or approval of any act requiring such consent or approval shall not be deemed to waive or render unnecessary such party's consent to or approval of any subsequent act by the other party. Any waiver by Landlord or Tenant of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of the Lease.

29. **SEVERABILITY.** If any provision of this Lease shall be declared invalid and/or unenforceable, the remainder of this Lease shall continue in full force and effect.

30. **RECORDING.** Tenant may, at its election, record a Notice of Lease on the land records, which shall include notice of the rights of first refusal contained in the Lease. Landlord will promptly execute and deliver to Tenant a Notice of Lease as prepared by Tenant and reasonably acceptable to Landlord, upon Tenant's request.

31. **BROKERS.** The Tenant and Landlord each warrant and represent to the other that it has dealt with no broker or other person entitled to a commission in connection with the negotiations

or execution of this Agreement or the consummation of the transaction contemplated hereby. The Seller and Buyer agree to hold harmless and indemnify each other against all damages, claims, losses and liabilities, including legal fees, incurred by the other arising out of or resulting from the failure of its warranty and representation in this paragraph. This provision shall survive expiration or sooner termination of this Lease.

32. **MISCELLANEOUS.**

(a) Headings and Captions. The headings and captions appearing within the body of this Lease have been inserted as a matter of convenience and for reference only and in no way define, limit or enlarge the scope or meaning of this Lease.

Standard Terms of Sale

1. **Applicable Terms.** These terms govern the purchase and sale of equipment, products, related services, leased products, and media goods if any (collectively herein "Work"), referred to in Seller's proposal ("Seller's Documentation"). Whether these terms are included in an offer or an acceptance by Seller, such offer or acceptance is expressly conditioned on Buyer's assent to these terms. Seller rejects all additional or different terms in any of Buyer's forms or documents.
2. **Payment.** Buyer shall pay Seller the full purchase price as set forth in Seller's Documentation. Unless Seller's Documentation specifically provides otherwise, freight, storage, insurance and all taxes, levies, duties, tariffs, permits or license fees or other governmental charges relating to the Work or any incremental increases thereto shall be paid by Buyer. If Seller is required to pay any such charges, Buyer shall immediately reimburse Seller. If Buyer claims a tax or other exemption or direct payment permit, it shall provide Seller with a valid exemption certificate or permit and indemnify, defend and hold Seller harmless from any taxes, costs and penalties arising out of same. All payments are due within N30 - Net 30 days after receipt of invoice. Buyer shall pay interest on all late payments not received by the due date. The Buyer shall be charged the lesser rate of 1 1/4% interest per month or the maximum interest rate permissible under applicable law, calculated daily and compounded monthly. Buyer shall also reimburse Seller for all costs incurred in collecting amounts due but unpaid, including without limitation, collections fees and attorneys' fees. All orders are subject to credit approval by Seller. Back charges without Seller's prior written approval shall not be accepted.
3. **Delivery.** Delivery of the Work shall be in material compliance with the schedule in Seller's Documentation. Unless Seller's Documentation provides otherwise, delivery terms are FOB Shipping Point, or for international orders, ExWorks Seller's factory (INCO™ Terms 2020). Title to all Work shall pass upon receipt of payment for the Work under the respective invoice. Unless otherwise agreed to in writing by Seller, shipping dates are approximate only and Seller shall not be liable for any loss or expense (consequential or otherwise) incurred by Buyer or Buyer's customer if Seller fails to meet the specified delivery schedule.
4. **Ownership of Materials and Licenses.** All devices, designs (including drawings, plans and specifications), estimates, prices, notes, electronic data, software, and other information prepared or disclosed by Seller, and all related intellectual property rights, shall remain Seller's property. Seller grants Buyer a non-exclusive, non-transferable license to use any written material solely for Buyer's use of the Work. Buyer shall not disclose any such material to third parties without Seller's prior written consent. Buyer grants Seller a non-exclusive, non-transferable license to use Buyer's name and logo for marketing purposes, including but not limited to, press releases, marketing and promotional materials, and web site content.
5. **Changes.** Neither party shall implement any changes in the scope of Work described in Seller's Documentation without a mutually agreed upon change order. Any change to the scope of the Work, delivery schedule for the Work, any Force Majeure Event, any law, rule, regulation, order, code, standard or requirement which requires any change hereunder shall entitle Seller to an equitable adjustment in the price and time of performance. If Buyer requests a proposal for a change in the Work from Seller and subsequently elects not to proceed with the change, a change order shall be issued to reimburse Seller for reasonable costs incurred for estimating services, design services, and services involved in the preparation of proposed changes.
6. **Force Majeure Event.** Neither Buyer nor Seller shall have any liability for any breach or delay (except for breach of payment obligations) caused by a Force Majeure Event. If a Force Majeure Event exceeds six (6) months in duration, the Seller shall have the right to terminate the Agreement without liability, upon fifteen (15) days written notice to Buyer, and shall be entitled to payment, including overhead and profit, for work performed prior to the date of termination. "Force Majeure Event" shall mean events or circumstances that are beyond the affected party's control and could not reasonably have been easily avoided or overcome by the affected party and are not substantially attributable to the other party. Force Majeure Event may include, but is not limited to, the following circumstances or events: war, act of foreign enemies, terrorism, riot, strike, or lockout by persons other than by Seller or its sub-suppliers, natural catastrophes, (with respect to on-site work) unusual weather conditions, epidemic, pandemic, communicable disease outbreak, quarantines, national emergency, or state or local order.
7. **Warranty.** Subject to the following sentence, Seller warrants to Buyer that the (i) Work shall materially conform to the description in Seller's Documentation and shall be free from defects in material and workmanship and (ii) the Services shall be performed in a timely and workmanlike manner. Determination of suitability of treated water for any use by Buyer shall be the sole and exclusive responsibility of Buyer, and Seller disclaims any warranty regarding such suitability. The foregoing warranty shall not apply to any Work that is specified or otherwise demanded by Buyer and is not manufactured or selected by Seller, as to which (i) Seller hereby assigns to Buyer, to the extent assignable, any warranties made to Seller and (ii) Seller shall have no other liability to Buyer under warranty, tort or any other legal theory. The Seller warrants the Work, or any components thereof, through the earlier of (i) eighteen (18) months from delivery of the Work, or (ii) twelve (12) months from Buyer's initial operation of the Work, or in the case of services performed as part of the Work, ninety (90) days from the performance of the services (the "Warranty Period"). If Buyer gives Seller prompt written notice of breach of this warranty within the Warranty Period, Seller shall, at its sole option and as Buyer's sole and exclusive remedy, repair or replace the subject parts, re-perform the Service or refund the purchase price. Unless otherwise agreed to in writing by Seller, (i) Buyer shall be responsible for any labor required to gain access to the Work so that Seller can assess the available remedies and (ii) Buyer shall be responsible for all costs of installation of repaired or replaced Work. If Seller determines that any claimed breach is not, in fact, covered by this warranty, Buyer shall pay Seller its then customary charges for any repair or replacement made by Seller. Seller's warranty is conditioned on Buyer's (i) operating and maintaining the Work in accordance with Seller's instructions, (ii) not making any unauthorized repairs or alterations, and (iii) not being in default of any payment obligation to Seller. Seller's warranty does not cover (i) damage caused by chemical action or abrasive material, improper thermal or electrical capacity, misuse or improper installation (unless installed by Seller) and (ii) media goods (such as, but not limited to, resin, membranes, or granular activated carbon media) once media goods are installed. THE WARRANTIES SET FORTH IN THIS SECTION ARE THE SELLER'S SOLE AND EXCLUSIVE WARRANTIES AND ARE SUBJECT TO THE LIMITATION OF LIABILITY PROVISION BELOW. SELLER MAKES NO OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR PURPOSE.
8. **Indemnity.** Seller shall indemnify, defend, and hold Buyer harmless from any claim, cause of action, or liability incurred by Buyer as a result of third-party claims for personal injury, death, or damage to tangible property, to the extent caused by Seller's negligence. Seller shall have the sole authority to direct the defense of and settle any indemnified claim. Seller's indemnification is conditioned on Buyer (i) promptly notifying Seller of any

claim, and (ii) providing reasonable cooperation in the defense of any claim. Buyer shall indemnify, defend, and hold harmless Seller from any claim, cause of action, or liability incurred by Seller as a result of third-party claims for personal injury, death, or damage to tangible property, to the extent caused by Buyer's negligence. Buyer shall have the sole authority to direct the defense of and settle any such indemnified claim. Buyer's indemnification is conditioned on Seller (i) promptly notifying Buyer of any claim, and (ii) providing reasonable cooperation in the defense of any claim.

9. **Assignment.** Neither party may assign this Agreement, in whole or in part, nor any rights or obligations hereunder without the prior written consent of the other party; provided, however, the Seller may assign its rights and obligations under these terms to its affiliates or in connection with the sale or transfer of the Seller's business, and Seller may grant a security interest in the Agreement and/or assign proceeds of the agreement without Buyer's consent.

10. **Termination.** Either party may, in addition to any other available remedy, terminate this agreement for a material breach upon issuance of a written notice of the breach and expiration of a thirty (30) day cure period. In the event of (i) a voluntary or involuntary petition in bankruptcy, (ii) an assignment for the benefit of a creditor, or (iii) a receivership, liquidation, or dissolution, Seller may terminate the agreement immediately, in addition to seeking any other available remedy. If Buyer suspends an order without a change order for ninety (90) or more days, Seller may thereafter terminate this Agreement without liability, upon fifteen (15) days written notice to Buyer, and shall be entitled to payment for work performed, whether delivered or undelivered, prior to the date of termination.

11. **Dispute Resolution.** In the event of any claim, dispute, or controversy arising out of or relating in any way to this Agreement (collectively, a "Claim"), Seller and Buyer shall first negotiate in good faith in an effort to resolve the Claim. If, despite good faith efforts, the parties are unable to resolve a Claim through negotiations, the parties shall mediate the Claim in accordance with the commercial mediation procedures of the American Arbitration Association ("AAA"), with such mediation to take place in Pittsburgh, Pennsylvania. If the parties are unable to resolve the Claim through such mediation, then the Claim shall be resolved through final and binding arbitration pursuant to the commercial arbitration procedures of the AAA, with such arbitration to take place in Pittsburgh, Pennsylvania before one arbitrator, who shall have authority to rule on jurisdiction over the Claim. Seller and Buyer agree to the exclusive jurisdiction of the federal and state courts situated in Allegheny County, Pennsylvania for purposes of entering judgment upon the arbitrator's award. The substantially prevailing party, as determined by the arbitrator, shall be entitled to recover all costs, expenses, and charges, including, without limitation, reasonable attorneys' fees and expert witness fees, incurred in connection with the Claim. In case of an Agreement under which Seller ships the Work outside of the United States, or under which Seller's and Buyer's places of business are in different countries, any Claim which is not resolved by the good faith negotiations and mediation required by this Section shall then be determined by arbitration administered by the International Center for Dispute Resolution in accordance with its International Arbitration Rules, with such arbitration taking place in Pittsburgh, Pennsylvania, USA, before one arbitrator, with English as the language of the arbitration. This Agreement and any Claim shall be governed by the laws of the Commonwealth of Pennsylvania, without giving effect to the choice of law principles thereof.

12. **Export Compliance.** All items, and technologies, software, and work products are controlled by the U.S. Government and authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. government or as otherwise authorized by U.S. law and regulations. Any diversion contrary to U.S. law is prohibited. Buyer acknowledges that Seller is required to comply with applicable export laws and regulations relating to the sale, exportation, transfer, assignment, disposal, and usage of the Work provided under this Agreement, including any export license requirements. Buyer agrees that such Work shall not at any time directly or indirectly be used, exported, sold, transferred, assigned, or otherwise disposed of in a manner which will result in non-compliance with such applicable export laws and regulations. It shall be a condition of the continuing performance by Seller of its obligations hereunder that compliance with such export laws and regulations be maintained at all times. BUYER AGREES TO INDEMNIFY AND HOLD SELLER HARMLESS FROM ANY AND ALL COSTS, LIABILITIES, PENALTIES, SANCTIONS AND FINES RELATED TO NON-COMPLIANCE WITH APPLICABLE EXPORT LAWS AND REGULATIONS.

13. **Anti-Kickback Statute - Discounts.** It is the intent of both Buyer and Seller to comply with the Anti-Kickback Statute (42 U.S.C. §1320a-7b(b)) and the Discount Safe Harbor and Warranties Safe Harbor regulations set forth in 42 C.F.R. 1001.952(h) and (g), respectively. Buyer's price may constitute a 'discount or other reduction in price' under the Anti-Kickback Statute. Seller shall provide Buyer with invoices that fully and accurately disclose the discounted price of all Products purchased under this Agreement to allow Buyer to comply with this Section and the Discount Safe Harbor regulations, including sufficient information to enable it to accurately report its actual cost for all purchases of Products. Buyer acknowledges that, if applicable, it will fully and accurately report all discounts or other price reductions, including warranty items, in the costs claimed or charges made under any Federal or State healthcare program and provide information upon request to third party reimbursement programs, including Medicare and Medicaid. Buyer will be solely responsible for determining whether any savings or discount or warranty item it receives must be reported or passed on to payors.

14. **Federal Program Participation.** Seller represents and warrants that neither it nor any of its current directors, officers, or key personnel: (i) are currently excluded, debarred or otherwise ineligible to participate in federal health care programs as defined in 42 U.S.C. §1320a-7b(f) (the "Federal Healthcare Programs"); (ii) have been convicted of a criminal offense related to the provision of healthcare items or services during the last five (5) years; or (iii) have been excluded, debarred or otherwise declared ineligible to participate during the last five (5) years in Federal Healthcare Programs. Seller will notify Buyer of any change in the status of the representations and warranties set forth above.

15. **LIMITATION OF LIABILITY.** NOTWITHSTANDING ANYTHING ELSE TO THE CONTRARY, SELLER SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL, PUNITIVE OR OTHER INDIRECT DAMAGES, AND SELLER'S TOTAL LIABILITY ARISING AT ANY TIME FROM THE SALE OR USE OF THE WORK, INCLUDING WITHOUT LIMITATION ANY LIABILITY FOR ALL WARRANTY CLAIMS OR FOR ANY BREACH OR FAILURE TO PERFORM ANY OBLIGATION UNDER THE AGREEMENT, SHALL NOT EXCEED THE PURCHASE PRICE PAID FOR THE WORK. THESE LIMITATIONS APPLY WHETHER THE LIABILITY IS BASED ON CONTRACT, TORT, STRICT LIABILITY OR ANY OTHER THEORY.

16. **Miscellaneous.** These terms, together with any related Contract Documents issued or signed by the Seller, comprise the complete and exclusive statement of the agreement between the parties (the "Agreement") and supersede any terms contained in Buyer's documents, unless

separately signed by Seller. No part of the Agreement may be changed or cancelled except by a written document signed by Seller and Buyer. No course of dealing or performance, usage of trade or failure to enforce any term shall be used to modify the Agreement. To the extent the Agreement is considered a subcontract under Buyer's prime contract with an agency of the United States government, in case of Federal Acquisition Regulations (FARs) flow down terms, Seller will be in compliance with Section 44.403 of the FAR relating to commercial items and those additional clauses as specifically listed in 52.244-6, Subcontracts for Commercial Items (OCT 2014). If any of these terms is unenforceable, such term shall be limited only to the extent necessary to make it enforceable, and all other terms shall remain in full force and effect. The Agreement shall be governed by the laws of the Commonwealth of Pennsylvania without regard to its conflict of laws provisions. Both Buyer and Seller reject the applicability of the United Nations Convention on Contracts for the international sales of goods to the relationship between the parties and to all transactions arising from said relationship.

Only in the event that the Work contemplated in this Order is related to the provision of medical devices, the following additional terms apply:

17. **Medical Devices Act and Regulatory Disclaimer.** Buyer acknowledges that it is familiar with the U.S. Safe Medical Devices Act of 1990 (the "Devices Act") and the reporting obligations imposed on device users thereunder. In this regard, Buyer agrees to notify Seller within ten (10) days of the occurrence of any event identified in the Devices Act imposing a reporting obligation on Buyer and/or Seller (except for events representing an imminent hazard that require notification to the United States Food and Drug Administration (the "FDA") within seventy-two (72) hours (or such shorter time as required by law), in which case, such notice will be delivered to the FDA and Seller within said period). Buyer will maintain adequate tracking for the Products to enable Seller to meet the FDA requirements applicable to the tracking of medical devices. Although Seller has the required registrations, approvals, and licenses (e.g., U.S. 510(k) pre-market notifications) for all or substantially all of its systems, the purchase of parts and system components from Seller does not provide 510(k) compliance or compliance under any other law, rule or regulation for Buyer's system.

Only in the event that the Work contemplated in this Order is related to the provision of leased or rented equipment ("Leased Equipment"), the following additional terms apply:

18. **Rental Equipment / Services.** Any Leased Equipment provided by Seller shall at all times be the property of Seller with the exception of certain miscellaneous installation materials purchased by the Buyer, and no right or property interest is transferred to the Buyer, except the right to use any such Leased Equipment as provided herein. Buyer agrees that it shall not pledge, lend, or create a security interest in, part with possession of, or relocate the Leased Equipment. Buyer shall be responsible to maintain the Leased Equipment in good and efficient working order. At the end of the initial term specified in the order, the terms shall automatically renew for the identical period unless canceled in writing by Buyer or Seller not sooner than three (3) months nor later than one (1) month from termination of the initial order or any renewal terms. Upon any renewal, Seller shall have the right to issue notice of increased pricing which shall be effective for any renewed terms unless Buyer objects in writing within fifteen (15) days of issuance of said notice. If Buyer timely cancels service in writing prior to the end of the initial or any renewal term this shall not relieve Buyer of its obligations under the order for the monthly rental service charge which shall continue to be due and owing. Upon the expiration or termination of this Agreement, Buyer shall promptly make any Leased Equipment available to Seller for removal. Buyer hereby agrees that it shall grant Seller access to the Leased Equipment location and shall permit Seller to take possession of and remove the Leased Equipment without resort to legal process and hereby releases Seller from any claim or right of action for trespass or damages caused by reason of such entry and removal.

RE: Amaral, Alice, 75 Cricklewood Road, Milford, CT 06461

To whom it may concern:

Please consider this letter a formal request to the Board of Alderman to agree to a payoff in full for the sum of \$1,000.00 in the event of short sale is approval.

The proposed contract sale price is \$289,750.00 with anticipated disbursements as follows:

Commissions in the amount of	\$14,487.50
Legal Fees in the amount of	\$2,854.00
<u>Conveyance taxes in the amount of</u>	<u>\$2,897.51</u>
Totaling.....	\$20,239.01

The remainder of funds will pay the first mortgage holder in the amount of \$269,884.56.

If the short sale is approved by the lender (and the probate court) there will be insufficient funds to pay the balance due on the CDBG loan at closing. Likewise, if the Property is not sold and the foreclosure proceeds to judgment, the CDBG loan will be foreclosed, with no funds accruing to the City.

If the short sale is approved and proceeds to a closing, the contract purchaser is offering to pay \$1,000.00 at closing to the City as full payment of the CDBG loan and release of the lien on title.

Please review and let me know if the City will agree to a payoff in full for the sum of \$1,000.00 in the event the short sale is approved.

If you need anything further, please do not hesitate to contact our office.

Thank you,

Joseph S. Dey, III, Esq.

For Your Protection: Get a Home Inspection

Name of Buyer (s) James Cavallo
 Property Address 75 Cricklewood Rd
Milford CT 06460

Why a Buyer Needs a Home Inspection

A home inspection gives the buyer more detailed information about the overall condition of the home prior to purchase. In a home inspection, a qualified inspector takes an in-depth, unbiased look at your potential new home to:

- evaluate the physical condition: structure, construction, and mechanical systems;
- identify items that need to be repaired or replaced; and
- estimate the remaining useful life of the major systems, equipment, structure, and finishes.

Appraisals are Different from Home Inspections

An appraisal is different from a home inspection. Appraisals are for lenders; home inspections are for buyers. An appraisal is required to:

- estimate the market value of a house;
- make sure that the house meets FHA minimum property standards/requirements; and
- make sure that the house is marketable.

FHA Does Not Guarantee the Value or Condition of your Potential New Home

If you find problems with your new home after closing, FHA can not give or lend you money for repairs, and FHA can not buy the home back from you.

Radon Gas Testing

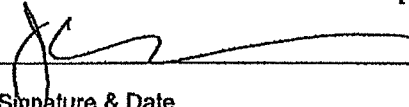

The United States Environmental Protection Agency and the Surgeon General of the United States have recommended that all houses should be tested for radon. For more information on radon testing, call the toll-free National Radon Information Line at 1-800-SOS-Radon or 1-800-767-7236. As with a home inspection, if you decide to test for radon, you may do so before signing your contract, or you may do so after signing the contract as long as your contract states the sale of the home depends on your satisfaction with the results of the radon test.

Be an Informed Buyer

It is your responsibility to be an informed buyer. Be sure that what you buy is satisfactory in every respect. You have the right to carefully examine your potential new home with a qualified home inspector. You may arrange to do so before signing your contract, or may do so after signing the contract as long as your contract states that the sale of the home depends on the inspection.

I/we understand the importance of getting an independent home inspection. I/we have considered this before signing a contract with the seller for a home. Furthermore, I/we have carefully read this notice and fully understand that FHA will not perform a home inspection nor guarantee the price or condition of the property.

- I/We choose to have a home inspection performed.
- I/We choose not to have a home inspection performed.
