MEMORANDUM OF UNDERSTANDING
Mutual Aid for Surge Capacity of Public Health Preparedness

Whereas, the Milford Health Department is a local health department providing public health services in the municipality of Milford; and

Whereas, the West Haven Health Department is a local health department providing public health services in the municipality of West Haven; and

Whereas, the West Haven Health Department and the Milford Health Department, as herein before stated, may also be referred to and known as the Recipient and/or Provider and/or Partner Health Department as hereinafter set forth in this Memorandum of Understanding; and

Whereas, local health departments exist across the State of Connecticut to ensure the health of the public and also to protect our environment and our quality of life; and

Whereas, outbreaks, epidemics, environmental hazards, certain biological agents and other events have the propensity to breach geopolitical borders and service areas; and

Whereas, a high level of expertise in disease control, surveillance, epidemiology, investigation of disease outbreak and environmental health hazards, and public health preparedness readiness exists in local health departments across the state; and

Whereas, all events requiring mutual aid and/or surge capacity do not rise to a level that require a state declaration of emergency and can be addressed at the local level with a memorandum of understanding.

NOW THEREFORE BE IT AGREED BY BOTH PARTIES THAT:

In the event of a public health emergency, intentional act, environmental public health hazard, or natural disaster of disease outbreak, departmental resources will be made available to assist the local health department from the affected area and/or neighboring community, to the extent possible.

In the event of the absence or incapacitation of the health director in a local health department, the health director of the partner health department will have the authority to notify the State of Connecticut Department of Public Health that the director shall assume the position of Acting Health Director of the municipality of the incapacitated or absent director.

Departmental resources may include personnel, consultation, general supplies, technical/medical equipment, or related items/services as available.

Such mutual aid shall be provided, however, that neither party shall be required to reduce its own resources, personnel, services and facilities to the detriment of its normal operation capability.

No response to a mutual aid request provided for in this agreement will be made by the parties hereto unless such request is received through the established communication channels and governed by policies or by responsible public health officials of the part requesting such aid.

86

The assurance of mutual aid set forth herein shall constitute the sole consideration for the performance hereof and neither party shall be obligated to reimburse the other for any action taken or aid rendered hereunder, or for any use of material, damage to equipment or liability incurred which may occur in the course of rendering the mutual aid assistance.

This agreement shall remain in full force and effect from the date herein above written unless sooner terminated by either of the parties giving to the other fifteen (15) days written notice of such termination.

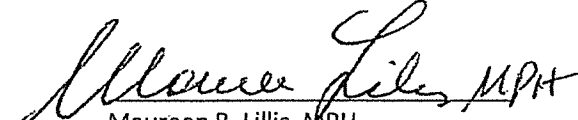

Recipient shall not be responsible for reimbursing any amounts paid or due as benefits to Provider's personnel due to personal injury or death occurring during the periods of time such personnel are engaged in the rendering of aid and assistance under this agreement. It is mutually understood that Recipient and Provider shall be responsible for payment of such worker's compensation benefits only to their own respective personnel.

To the extent permitted by law, each party (as Indemnitor) agrees to protect, defend, indemnify, and to hold the other party (as Indemnitee), and its officers, employees and agents, free and harmless from and against any and all losses, penalties, damages, assessments, costs charges, professional fees, and other expenses or liabilities of every kind and nature arising out of or relating to any and all claims, liens, demands, obligations, actions, proceedings, or causes of action of every kind in connection with or arising out of Indemnitor's negligence, acts, errors and/or omissions. To the extent that immunity does not apply, each party shall bear the risk of its own actions, as it does with its day-to-day operations, and determine for itself what kinds of insurance, and in what amounts, it should carry. Each party understands and agrees that any insurance protection shall in no way limit the responsibility to indemnify, keep, and save harmless the other parties to this Agreement.

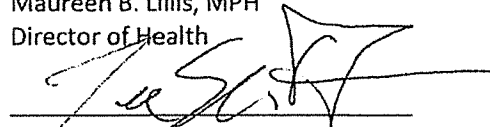

WHEREFORE, the parties have executed this memorandum of understanding on the dates set forth herein and in effect for three years unless written notice is provided by either party otherwise.

SIDEWALK EASEMENT AGREEMENT

KNOW ALL PERSONS BY THESE PRESENTS THAT MILFORD BEACH ASSOCIATES LLC, a Connecticut limited liability company ("Grantor"), which is the owner of property known as "Recreation Area No. 1" located on East Broadway, in Milford, Connecticut ("Recreation Area"), more particularly described on Exhibit A attached hereto and made a part hereof, for good and valuable consideration recited below from **THE CITY OF MILFORD, CONNECTICUT**, a public body corporate and politic of the State of Connecticut ("Grantee"), does hereby grant unto the said Grantee, its successors and assigns forever, an easement ("Easement"), for the construction of a sidewalk and for such purposes as a sidewalk may be used ordinarily for sidewalk purposes, in, over, under, upon and across the property of the Grantor specified below as the "Easement Area", and on the terms and conditions set forth herein, and in consideration of the agreements of the Grantee herein. Grantor and Grantee agree as follows:

1. Grantor agrees that Grantee may construct a sidewalk ("Sidewalk") on Recreation Area, as specified and solely in the area shown on Exhibit B attached hereto and made a part hereof ("Easement Area"), the specific dimensions of the Easement Area to be shown on a survey prepared by Grantee, and reasonably acceptable to Grantor, within thirty (30) days after installation of the Sidewalk, initialed by both parties and attached to this Sidewalk Easement Agreement ("Agreement").
2. The Easement Area is to be used solely by the public for sidewalk purposes. Grantor reserves all rights with respect to the Easement Area not inconsistent with the grant herein contained, but specifically including, without limitation, the right to continue to use, maintain, repair and replace any subsurface utilities beneath the sidewalk.
3. The Easement is granted to the Grantee to have and to hold the above granted rights, privilege and authority unto the said Grantee, its successors and assigns forever, to its own proper use and behoof, subject to all matters of record.
4. Grantee agrees to complete, at its sole expense and risk, the construction of the Sidewalk ("Construction") on or before _____, 2020, in a lien-free manner, using new, good materials, and in accordance with commercially reasonable construction standards, consistent with all legal requirements, codes, and the appearance of the other sidewalks Grantee is presently constructing on East Broadway, Milford. Grantee shall be solely responsible for securing the Construction and materials within the Easement Area all of which shall be at Grantee's sole risk, with Grantor having no responsibility therefor. The Grantee will be solely responsible for identifying any underground or other utilities that could be affected by the Construction or the Sidewalk, and for complying with the terms and conditions of any easements or other agreements with public utilities with respect to the Easement Area, including without limitation seeking and obtaining any third party consents required, under the documents set forth on Exhibit C attached hereto and made a part hereof. Grantee shall defend, indemnify and hold harmless Grantor, its members, managers, employees, agents, and mortgage lenders, and their respective personal representatives, heirs, successors and assigns, from any claim, liability, damages or expense of any kind or nature arising from the Construction or failure of Grantee to

comply with the terms and conditions of any matters of record including without limitation the documents set forth on Exhibit C.

5. As partial consideration for the Grantor's entering into this Agreement, Grantee agrees, on or before _____, 2020, to perform the work on the Recreation Parcel specified on Exhibit D attached hereto and made a part hereof ("Improvements"), at Grantee's sole expense, in a lien-free manner and to the reasonable satisfaction of Grantor. Grantee shall promptly repair to Grantor's reasonable satisfaction, any damage to the Recreation Parcel arising from the Construction or the construction of the Improvements, including any mechanic's liens recorded against the Recreation Parcel.

6. Grantee agrees to add Grantor and its mortgage lenders, their successors and assigns, as additional insureds to any insurance policy insuring the Grantee against liability arising from the use of the Sidewalk, and shall defend, indemnify and hold harmless Grantor, its members, managers, mortgage lenders, employees, agents and their respective personal representatives, heirs, successors and assigns, from any claim, liability, damages or expense of any kind or nature incurred by any of the foregoing, arising from the use of the Sidewalk by the public. Any claims for bodily injury, property damage or death or of any other kind or nature, arising from the public's use of the Sidewalk, shall be pursued solely against the Grantee, and not against the Grantor.

7. After completion of the Construction and the Improvements, Grantor will maintain the Sidewalk to the extent required by law for Grantor to maintain the sidewalk on East Broadway adjacent to the Recreation Area, which adjacent sidewalk Grantee shall not remove unless Grantee replaces it with at least a comparable sidewalk. Any replacements of all or any portion of the Sidewalk shall remain the sole obligation of the Grantee which agrees to replace any portion of the Sidewalk which is reasonably required from time to time.

8. If Grantee fails to cure any default hereunder within thirty (30) days after written notice from Grantor, addressed to the Mayor of the City of Milford at City Hall, then at Grantor's sole election, Grantor may cure all of any part of Grantee's default, and Grantee shall pay Grantor for the reasonable cost of such cure within thirty (30) days after written invoice from Grantor.

9. This Agreement will not be recorded by Grantee without the Grantor's prior written consent, but Grantor may record it, at its sole election.

10. This Agreement shall be governed by the laws of the State of Connecticut and shall not be amended without the written agreement of both parties. Grantor's liability is limited to its interest in the Recreation Parcel.

11. This Agreement may be executed in multiple, counterpart originals, or electronically, each of which shall take effect upon electronic transmission via PDF to the other party, followed by an original signature, witnessed and acknowledged, delivered to the other party.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals as of this ____ day of _____, 2020.
