Department report: Scott reported that they had a cat for safe keeping for one month, the owner was hospitalized. They have only 2 dogs in the kennel at this time. Public Works came and ground down the tree stumps in the back yard. Scott also reported that they can't get a delinquent license list from the city clerks office due to computer problems, so its almost pointless to attempt to do a license survey. He said, with the City Clerks permission, he was going to contact Pet Supplies Plus, Pet-Co etc. to see if they can put mail-in license forms in the store.

Commission report: Chairman Blake reported that Wildemere Beach Church is holding a Bless the Animals Service and they asked the people to donate to the Animal Shelter. Chairman Blake thanked all the Commissioners for bringing pet food for the food bank to the meeting.

Donations totaling \$318.00 were received since the July meeting.

License survey: Hopefully they will begin again.

Volunteer up-date: there is only one dog to walk at this time.

New Vehicle: Starting the process all over again

A motion to adjourn was made by Commissioner Nierenberg and seconded by Commissioner Leuchtner. Motion Carried

Respectfully Submitted,
Pat Liptak
