

Receive Double Rebate incentives by answering the enclosed short survey.

Understanding how our customers prefer to purchase kitchen equipment and how we can improve the energy efficiency rebate process around equipment purchasing is critical to us delivering results to our customers. Please take a few brief minutes to fill out the enclosed survey.

It's that simple, fill out the attached survey and send it back in the provided postage paid envelope. And if you purchase and install qualified natural gas kitchen equipment before October 15th - we'll give you a **double bonus opportunity for your upgrade. That's right up to a \$2,400* rebate – double the normal rebate** on natural gas kitchen equipment just for taking a few minutes to fill out our survey. See the attached rebate for qualified equipment and rebate amounts.

What's that? You didn't know Connecticut had rebates for energy-efficient natural gas equipment?

Learn how customers like Black Forest Bakery Shop, saved by switching to high efficiency natural gas kitchen equipment. The move didn't just provide savings; it improved how they served their customers, the employee experience, and overall production.
