

JUNE IS DOG LICENSING MONTH

The Milford City Clerk's office is reminding residents that June is dog licensing month.

According to City Clerk Joanne M. Rohrig, "Connecticut State Law requires all dogs over six months of age to be licensed. All dogs must have an up-to-date rabies vaccination. A license is a lost dog's ticket home. Our motto in the City Clerk's office is 'Love Us? License Us, It Could Save Our Lives.'"

Please click this link for more information including a license application [Dog License Information](#) . You can send in the application with no penalty fees if it is postmarked by June 30th. PLEASE INCLUDE A STAMPED SELF-ADDRESSED ENVELOPE WHERE YOU WOULD LIKE THE LICENSE TO BE MAILED.
