

Zoning Text Change Approved on August 20, 2013

Effective 9/6/2013

3.13.2.10 Waterfront Design District: A change in the use of interior space of an existing building in a Waterfront Design District shall not require either an amendment to a Special Permit and/or Site Plan Approval provided that no exterior structural changes to the existing building shall be made in connection with such changed use. Requests for change of use to be considered under the provisions of this section shall be in accordance with Section 8.8.2 Change of Use.
