To: The Honorable Board of Finance
From: Anthony S. Giannattasio, Mayor
Date: January 26, 2024

Subject: GENERAL BUDGET for the fiscal year from
July 1, 2024 to June 30, 2025

In accordance with Article VI, Section 1 of the Charter of the City of Milford, I respectfully submit, herewith, the general government portion of the city budget for fiscal year 2024-2025.

With this 2024-2025 proposal, I took great care to ensure that our priorities are funded, while being mindful of the City of Milford taxpayers. The budget before you represents hours of research, meetings, and due diligence. All departments requested increases, and some difficult decisions had to be made. As we continue to weather the economic realities of the nation, some upgrades and requests for additional city personnel will be deferred.

As in previous budget cycles, our chief goals remains the same - provide high quality services, make strategic investments in our infrastructure, and limit the economic impact to the taxpayers. Much like our personal finances, the City of Milford is not immune to the current economic conditions – inflation is impacting every budgetary line item and the cost of goods and services has increased significantly.

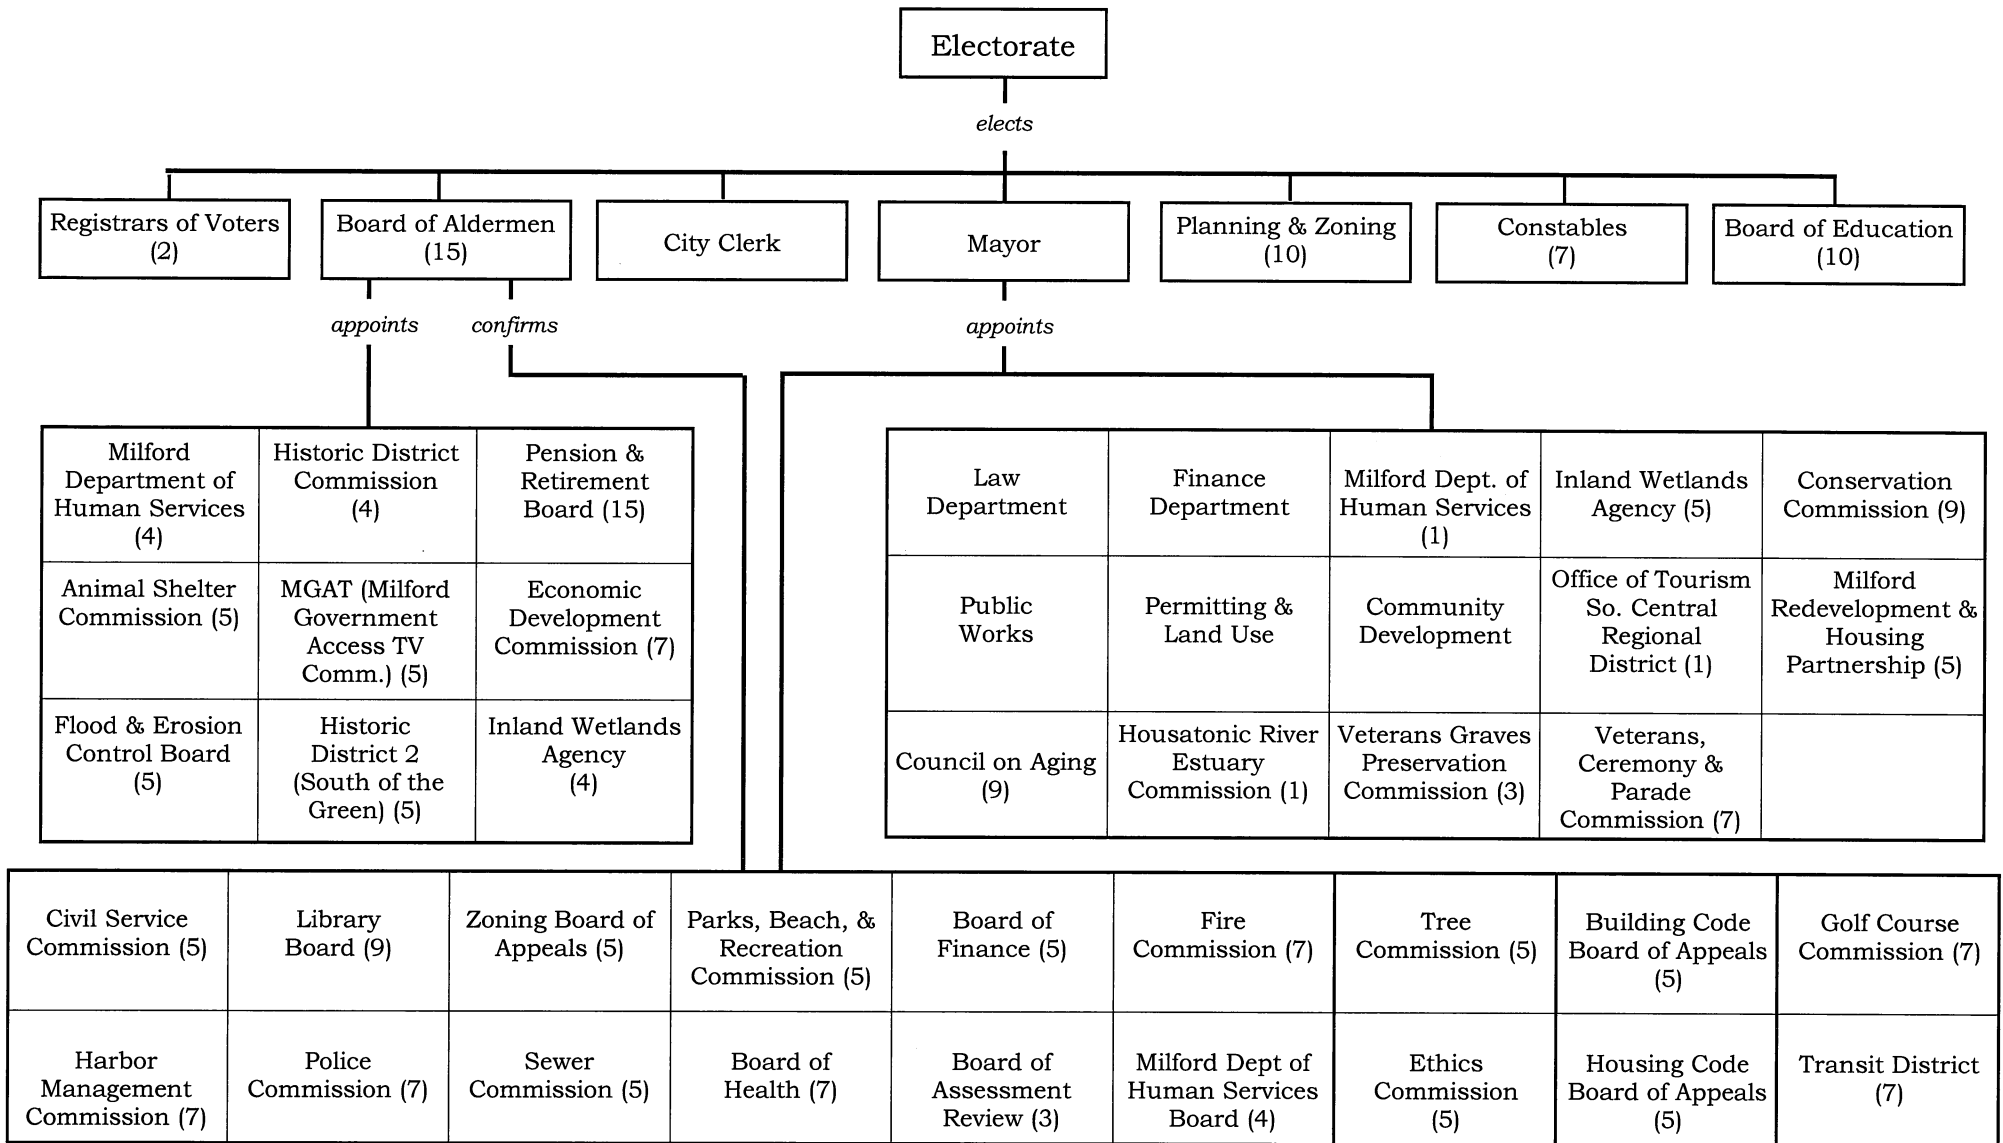

To tackle these financial realities, we must roll up our sleeves and work to find additional efficiencies and savings in the City of Milford operating budget. I am confident that the Board of Finance and the Board of Aldermen will help to achieve these savings and efficiencies as they begin their respective budgetary processes. I stand ready to assist with any questions or if my administration can provide additional information.

I want to thank you for your roles on the Board of Finance and for your steadfast commitment to our great city. I look forward to working with you and the Board of Aldermen to ensure that Milford remains a prosperous city.

(Reserved for the Board of Finance in its Recommended Budget)

(To appear in the Board of Aldermen's Adopted Budget)

The Street Lighting account represents amounts paid to the United Illuminating Company for street light rental and electric charges to operate the City's street lights.

Hydrant rental and hydrant water charges are amounts paid to the Regional Water Authority for the rental of the City's fire hydrants, which are owned and maintained by the Authority, which also provides water service.
