Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);
2. **Overall Benefit.** The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) 2020, _____ (a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;

Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio stations).
5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).
6. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

"Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. and Substantial Amendment to the PY45 Annual Action Plan

With this notice, the City of Milford announces a CARES Act CDBG-CV Entitlement award from the U.S. Department of Housing and Urban Development (HUD) in the amount of \$303,209. The funds are available specifically for the purpose of preventing, preparing for, and responding to the Coronavirus public health and economic crisis. The City will substantially amend its PY45 Annual Action Plan to accept CDBG-CV funds for allocation to eligible public service activities, job creation, and public and private buildings and improvements in response to COVID-19. Information on how to apply for CDBG-CV funds will be posted on the ECD webpage as more details become available.

To provide the public a reasonable opportunity to comment during a time of national crisis or emergency HUD will allow grantees short-term flexibilities to administer and implement the federal grant and promote safe “social distancing” practices. To incorporate these flexibilities into the process the City will amend its Citizen Participation Plan for approval by the Board of Alderman.

The Department Economic & Community Development (ECD) will accept public comment and input on all of the above in an expedited five (5) day public comment period from April 30, 2020 to May 5, 2020. The proposed Citizen Participation Plan is available on the City of Milford ECD webpage <http://www.ci.milford.ct.us/economic-and-community-development/pages/community-development-block-grant-cdbg-program>. Please direct written comments to Sheila Dravis, CDBG Administrator, at sdravis@milfordct.gov and requests for information.

Dated at Milford, CT this 3RD day of June, 2020

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
WASHINGTON, DC 20410-7000

ASSISTANT SECRETARY FOR
COMMUNITY PLANNING AND DEVELOPMENT

April 2, 2020

The Honorable Benjamin Blake
Mayor of Milford
110 River Street
Milford, CT 06460

Dear Mayor Blake:

I am pleased to inform you of a special allocation to your jurisdiction of Community Development Block Grant funds to be used to prevent, prepare for, and respond to the coronavirus (COVID-19). This allocation was authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136, which was signed by President Trump on March 27, 2020, to respond to the growing effects of this historic public health crisis.

The CARES Act made available \$5 billion in Community Development Block Grant Coronavirus (CDBG-CV) funds. Of this amount, the Department is immediately allocating \$2 billion based on the fiscal year 2020 CDBG formula. The remaining \$3 billion shall be allocated based on needs using best available data, in the following tranches: \$1 billion shall be allocated to States and insular areas within 45 days of enactment of the CARES Act, and \$2 billion shall be distributed to states and local governments at the discretion of the Secretary. Up to \$10 million will be set aside for technical assistance. Given the immediate needs faced by our communities, the Department has announced the first allocation of funds. Your jurisdiction's allocation is \$303,209.

The CARES Act adds additional flexibility for both the CDBG-CV grant and, in some cases, for the annual FY2020 CDBG grants in these unprecedented times. The public comment period is reduced to not less than 5 days, grantees may use virtual public hearings when necessary for public health reasons, the public services cap is suspended during the emergency, and States and local governments may reimburse costs of eligible activities incurred for pandemic response regardless of the date.

In addition, the CARES Act authorizes the Secretary to grant waivers and alternative requirements of statutes and regulations the Secretary administers in connection with the use of CDBG-CV funds and fiscal year 2019 and 2020 CDBG funds (except for requirements related to fair housing, nondiscrimination, labor standards, and the environment). Waivers and alternative requirements can be granted when necessary to expedite and facilitate the use of funds to prevent, prepare for, and respond to coronavirus.

The Department is developing a notice that will further describe the CARES Act's provisions, a Quick Guide to the CARES Act flexibilities and other provisions, and other resources to enable swift implementation of CDBG-CV grants. As these become available, they will be

posted on HUD's website and distributed to grantees. The Department will also support grantees with technical assistance.

As you develop your plan for the use of these grant funds, we encourage you to consider approaches that prioritize the unique needs of low- and moderate-income persons and the development of partnerships between all levels of government and the private for-profit and non-profit sectors. You should coordinate with state and local health authorities before undertaking any activity to support state or local pandemic response. CDBG-CV grants will be subject to oversight, reporting, and requirements that each grantee have adequate procedures to prevent the duplication of benefits. HUD will provide guidance and technical assistance on DOB and regarding prevention of fraud, waste, and abuse and documenting the impact of this program for beneficiaries.

The Office of Community Planning and Development (CPD) is looking forward to working with you to successfully meet the urgent and complex challenges faced by our communities. If you or any member of your staff has questions, please contact your local CPD Field Office Director or CPDQuestionsAnswered@hud.gov.

Sincerely,
