WAIVER

In consideration of the City of Milford, Connecticut, acting by its police department in certifying retired police officers as mandated by the Law Enforcement Officers Safety Act of 2004 (the "Act", otherwise referred to as H.R. 218) and acknowledging that I no longer have police powers and that any actions I may take are in my capacity as a private individual under the laws of the state in which my actions are taken, and that I attest that I have read and currently meet the eligibility requirements under H.R. 218. I further recognize the possibility of physical injury associated with carrying, loading, unloading, and cleaning a firearm, and the possibility of physical injury associated in physically moving through a qualifications course, and firing a firearm, the undersigned does, by and for him/her self, his/her heirs and assigns, indemnify and hold harmless the City of Milford, Connecticut, its agents, servants and employees from any and all losses, claims, damages and expenses (including legal fees and costs) incurred by them as a result of providing any training and/or certification in compliance with the Act.

Any "**Firearm Qualified Retired Milford Police officer**" ID card may be revoked by the Chief of Police for cause and shall be revoked by the Chief of Police upon conviction of the holder of such ID card of a felony or of any misdemeanor specified in subsection (b) of section 29-28 or upon the occurrence of any event which would have disqualified the retiree as determined by the Chief of Police. As such, I authorize the Milford Police Department to conduct a criminal background check.

Upon the revocation of any ID Card, the retiree whose ID card is revoked shall be notified in writing and such ID card shall be forthwith delivered to the Chief of Police or designee.

The undersigned acknowledges the "**Firearm Qualified Retired Milford Police officer**" ID card is the property of the Milford Police Department and must be returned upon request.

The undersigned acknowledges that authority to possess a weapon under the Act does not grant any authority to enforce the laws of the State of Connecticut; further, that the City of Milford accepts no responsibility for the independent actions of the undersigned, but is merely complying with a training mandate required by federal law.
